

Hasinai Eco-Guardians

Caddo Nation of Oklahoma

This project will focus on introducing career opportunities to tribal youth in the fields of natural resources. The goal will be to have tribal youth interact with numerous professionals who have different backgrounds and work environments to better gain an understanding of the natural resources career field. Caddo Nation Environmental Protection has worked on creating an integrated training approach to provide hands on learning that demonstrates safety and collaborative resource knowledge on management and conservation of natural resources.

Hasinai Eco-Guardians Pledge

As a Hasinai Eco-Guardian you must agree to abide by the guiding principles below.

I, as an Eco-Guardian, agree to the following: *

To serve the group to the best of my ability.

To report directly to the group leaders any concerns or issues.

To treat my fellow eco-guardians, group leaders, and any professional I may speak to with respect.

Attend all field trips, and do my best to document my experience in the provided journal.

I certify that I have read, and provided the most accurate information possible. *
