**Grand Opening Celebration of McKee's Indian Store and Susan Peters Gallery Marks the Revitalization of Anadarko's Main Street**

ANADARKO, Okla.—The Caddo Nation proudly announces the Grand Opening of McKee's Indian Store and Susan Peters Gallery, a significant step towards the revitalization of Anadarko's Main Street. The Caddo Nation has acquired the iconic McKee's Indian Store, a cherished landmark in the Anadarko community known for its rich history in Native Art and a wide range of supplies for arts, crafts, and traditional clothing.

The acquisition also includes the Susan Peters Gallery, an integral part of the McKee's Indian Store, providing a platform to showcase the diverse cultural and artistic talents of the community. The Caddo Nation aims to celebrate and honor the Indigenous artists from the local communities, whose works have garnered both local acclaim and international recognition.

“Acquiring the store and gallery allows us to showcase the diverse cultural and artistic talents of our community,” said Caddo Chairman Bobby Gonzalez. “Our goal is to acknowledge and uplift the beauty of our artistic traditions and empower our communities and younger generations of artists.”

The Grand Opening of McKee's Indian Store and Susan Peters Gallery will take place on Wednesday, August 2, 2023. On Thursday, August 3, 2023, there will be a Grand Opening Reception from 6–8 p.m., featuring light refreshments. Attendees will have the opportunity to meet Lane Factor, known as "Cheese" from the FX Hit Show Reservation Dogs, who will be present for photos and autographs.

The celebration will also feature the remarkable artworks of Caddo artists, Jeri Redcorn, Chase Earles, Chad Earles, Wayne Earles, and Yonaveah Hawkins, exhibited in the Susan Peters Gallery.

“This event marks the beginning of a new chapter in preserving and showcasing the artistic traditions of Indigenous communities,” said Gonzalez. “Everyone is welcome to join the opening celebration.”
