

George's Quarterly Report

George's is open Monday-Saturday from 10am-6pm. We currently still have three employees; Elizabeth Clark who is full time & coming up on two years of employment with us, Kareriss Williams who is part time and has been with us for 7 months now, and Calin Tillis who is part time and has been with us for 8 months. I, Raven Cook am still the manager, and we have a great team that offers great ideas and are happy to help.

The last three months we had a great black Friday sale and had a lot of purchases. We also had a great Christmas holiday where we offered in store pictures with Santa that we printed off and gave to the families. We also had cookies & hot chocolate available, ornament decorating, and Christmas music. That was a positive event that brought in people who have never been to Caddo Nation George's.

We still have our partnerships with Kiowa CHR, Caddo CHR, Apache CHR, and Wichita CHR programs. We are also in the beginning stages of getting everything prepared for Caddo Nation Child Care to make their purchase of backpacks from us for this year's back-to-school event.

We recently had the Anadarko Chamber of Commerce come into the store to do their first local business spotlight of the month and of course they chose George's to start with because of recent Christmas time event and Christmas time shopping.

While they were here, they brought the city manager and the mayor of Anadarko in so we could meet and discuss some things they could do to benefit us and help make downtown beneficial for everyone. We also started the process of having a partnership with the city of Anadarko to start being their primary location to buy work boots. We are working out logistics and hope to begin that process in February.

George's strives serve the Anadarko community by listening to customer feedback and strives to build great partnerships with the community.
