We are open daily for congregate lunch. We are open Monday – Thursday 11:00 a.m. to 1:00 p.m. and on Fridays, we serve brunch from 10:00 a.m. – 11:00 a.m. We encourage our Elders to come by and pick up a menu or check it out on our Caddo Nation AoA page.

Activities are scheduled daily; the calendar can be found on the other side of the menu and on our FB page as well. Our health room is also open daily. The sewing machines are currently set up for use as well.

Our FY ended March 18, 2023 and we begin the new April 1, 2023. This year our numbers will begin to determine our funding. Since 2020 we received funding based on the averages from our reporting in 2019. Our numbers have dropped due to COVID, we encourage elders to come in and dine with us.

In an effort to boost our Congregate, beginning in April, we are picking up interested elders on Tuesday and Thursday in Anadarko at the CHR building. The van arrives about 9:30 and will depart back to the CN AoA at 9:45. Elders will then be able to come out for our morning activities and dine with us, socialize and visit with other elders, as well as handle any business they may need to. We will try this for the month and re-evaluate at the end of the month the frequency of “pick-ups”.

We are gathering information about service needed and are sending out yearly applications to update participant information for our program. We may be sending out more questionnaire/flyers soon, please, send back feedback. We’d love information on what it is that our elders in our service area are interested in. Help us to aide you.

I hope you find this informative. If you should have any questions regarding any of our programs, please feel free to ask. Caddo Nation AoA offers several different programs; call or come in and we’ll be happy to give you a tour of the building and talk to you about all we have to offer.

Thank you,

Genevieve Moore

TITLE VI Part C – CAREGIVER	
LENDING CLOSET	The following items are in stock and are available: wheelchair (2 sizes), walker, motorized scooter, elevated raised toilet, shower chair, bath seat, bed side commode, coccyx cushion, inflatable ring, walking cane, walking stick, crutches, briefs, binders, back support, hand brace, wheel chair cushion and incontinence supplies. We are willing to listen to suggestions. The lending closet items are available for elder use through our Caregiver program. You may sign any of these items out if needed. <i>Must be in AoA service area.</i>
RESPIRE PROGRAM	This program is currently unavailable until we receive our new funding; March 31, 2023 ends our AoA's FY. This is the first time in we've made use of all the funding we allocated to this program. These programs provide the opportunity to plan, develop, and implement family caregiver support programs for the benefit of non-paid family members (not living in the home) caring for their elders and grandparents caring for their grandchildren. <i>Must be in AoA service area.</i>
LAWN CARE	The lawn care program is closed and complete for the year. Recently we partnered with EPA on a project and it came out well.
WELLNESS CHECK	We have made 4 wellness check, provided supplies for 11 transports for people this quarter; currently we are monitoring 1 elder with 1 weekly visit that is appropriate for services. Our program continues to work with the CHR and Social Services program on various tasks. If we receive a call regarding an elder, then our team goes out and asses them as needed and refers them to the appropriate people.
GENERAL ELDER ASSISTANCE	We have aided 11 people this month with lending closet items and have given away PPE's. I have aided 4 elders in completing paperwork/applications and have typed up simple things for 3 elder. Elders come in to the office for this type of assistance; they will work on their items themselves in the Elder's activity room or they will have me to help them complete their task.

EXPENSES	The expenses made were general monthly bills and employee wages.
GENERAL NOTES	The caregiver support program includes the Lawn Care/Chores Program, Respite Program, Lending Close and Health Program. Please call the AoA Building for further information on any of our programs.
