### **CADDO NATION TRANSPORTATION POLICY**

Due to the number of people to be served, who reside within the program “service area”, funding, mileage and vehicles: CHR transportation is limited. The need to economize on fuel expense and man power: therefore, it has become necessary to establish the following formal Policies and Procedures regarding the need for transportation from the Caddo Nation Community Health Representative Program.

### **POLICY**

#### **The CHR Program WILL NOT:**

- Transport minors and/or person(s) that have been assigned a legal guardian without the accompaniment of the parent(s) and /or legal guardian. **PROOF OF LEGAL GUARDIANSHIP MAY BE REQUIRED.**
- Transport any child that is not able to properly wear seat belt without the aid of a Child Restraint System (car seat) according to Child Passenger Safety recommendations and/or any child weighing 100lbs. or less without a **PROPERLY** installed Child Restraint System (car seat) in accordance with the state law. **THE CHR PROGRAM DOES NOT PROVIDE CAR SEATS.**
- Transport any person(s) who appear to be under the influence of alcohol and/or drugs. If the client seems to be under the influence of alcohol/drugs during a transport, the CHR will notify the client that they will be suspended from the program for 30 days. In the event the client becomes hostile and/or abusive due to their altered state of mind, the client will then be required to find transportation home.
- Transport a client who is thought to have a contagious condition that would put the CHR at risk. Clients who we classify as “High Risk” include but not limited to:
  - A. Seriously ill with respiratory problems
  - B. Known to have seizures
  - C. Staph Infection
  - D. Active Covid
  - E. Non-vaccinated without medical reason. (Covid vaccine)
- Transport a client that has the flu who refuses to wear a protective mask over the mouth and nose area, or who has excessive vomiting and/or diarrhea.

- Transport when road conditions are hazardous or predicted to be hazardous, especially during inclement weather.
- Transport on surgery day. If Anesthetic is being used during the surgery then the CHR program will not be transporting. The CHR will transport on all appointments leading up to the surgery (if available) but not on surgery.

### **Procedures, CHR and Clients Responsibilities**

The CHR program has some responsibilities to help you in any way that they can and make the services as easy, understandable and comforting as possible.

- The CHR will transport, pick up and /or drop of RX and/or small errands.
- The CHR will set up Home/Health Checks with you and will send out a notice in the mail with the date and time of the check.
- The CHR can transport another Caddo Nation employee when approved by the Director.
- The CHR will assist on scheduling Dr. Appointments if the client is having a hard time doing so.
- The CHR will be with the client the whole time during the transport if need be for support and communication/understanding needs.
- If the client gets admitted in the hospital the CHR will be with the client until the admission has been approved. With that being said the CHR will then contact the client’s family to inform them of the situation.

The CHR program will be notified of the needs for transportation at least four (4) days prior to appointment date. If transportation is unavailable, the CHR program will refer the client to other CHR programs in the area and/or assist the client with arranging another form of transportation as needed.
