ANALYSIS

During the exercise and subsequent After Action Review the following Strengths, Areas for Improvement, and suggested steps or actions to improve each of the areas were identified. Each department conducted individual staff debriefings and submitted to Emergency Management for inclusion in the After-Action Report.

Objective:
COVID-19
Vaccination POD

Strengths

Caddo County Health, District 5, dedicated to combating the long term effects of this Pandemic Virus and were very proactive to conducting this exercise with the outcome of getting residents of Caddo County vaccinated to lessen the impact of this virus upon themselves and the community. They implemented and exercise their established policies, guidelines and plans.

Areas for Improvement

CADDIO COUNTY HEALTH SERVICES

1. ADDITIONAL STAFF TO CONDUCT DRIVE THRU EXERCISE, DUE TO THE ONE-WAY ENTRY/EXIT.

EMERGENCY MANAGEMENT

1. MANPOWER-IDENTIFIED THAT THIS TYPE OF INCIDENT, QUICKLY OVERWELMS THE ON DUTY PERSONNEL CAPABILITY.

Caddo Nation Health services was able to successfully provide vaccinations and provide educational materials and demonstrated their capabilities and reinforce practical application.
