

JENNIFER WILSON

OKLAHOMA CITY REPRESENTATIVE

KWAH A HUT, my name is Jennifer Cross Wilson and I am running for the Oklahoma City Representative for the Caddo Nation. I have been on the CN Tribal Council for approximately 6 years. It has been a privilege to serve the Oklahoma City Metro area. I have tried to listen to my constituents' interests and concerns and bring them before the council. I try to answer all phone calls and texts quickly and honestly as I can. I will continue to move forward to preserve our Caddo culture, and also finding ways to bring economic development to the Caddo Nation.
