

OAKWOOD HARBOR SUBDIVISION RESTRICTIVE COVENANTS

WHEREAS, all reservations, limitations, conditions, easements and covenants herein contained, any and all of which are hereafter termed "Restrictive Covenants" or "Restrictions" are jointly or severally for the benefit of all persons who may purchase, hold or own, from time to time, any of the several lots covered by this instrument, and are intended to run with the land and be mutually enforceable.

NOW, THEREFORE, IN CONSIDERATION of the premises and of the mutual promises, covenants and agreements contained herein and the sum of One Dollar (\$1.00) to party of the first part in hand paid by the party of the second part, the receipt of which is hereby acknowledged, and further, in consideration of the advantages to accrue to the party of the first party, as well as to the future owners of said lots into which said tract may be subdivided, and with the agreement and consent of the party of the second party to act as Trustee hereunder, the party of the first part agrees as follows:

The party of the first part or the Grantor, shall contemporaneously with the recording of each platted subdivision of the above-described land, grant, bargain, sell, convey, transfer, assign and set over unto the said Trustee, his successors and assigns, all singular and several strips and parcels of land which are to be delineated and set apart as drives, lanes, circles, streets or roads on said plat of said subdivisions, together with the lakes, dams, and related facilities and facilities for the disposal of wastewater in the subdivision to be constructed by the Grantor on said above described land, and said Grantor, upon the consideration heretofore recited, do also hereby agree to create, resolve and transfer, assign and grant unto the Trustee easements for the purposes set forth in Article III hereof, over, across, through and under all of the lots in said subdivision as marked out and set out on said plats to be filed for the subdivision of said land, including all easements and roadways. TO HAVE AND TO HOLD all of the foregoing to the Trustee, his successors and assigns, IN TRUST, upon the uses and purposes, for the term and upon the conditions hereinafter set forth in this indenture. As used herein, the word "Trustee" or "Trusteeship" shall mean either a single Trustee or joint Trustees.

ARTICLE I ORGANIZATION OF TRUSTEESHIP

The original Trustee herein named shall serve for a term ending within three years from the date of the first sale of a lot in the subdivision or when thirty percent (30%) of the lots are sold, whichever occurs first. In the event of the death, resignation or inability of the herein named Trustee to serve in that capacity prior to the expiration of his term, his successor or successors shall be named by a voting majority of the remaining Trustees who shall select and appoint a Trustee or Trustees to fill the unexpired term. Beginning at the annual meeting in 1995, seven (7) lot owners in Oakwood Harbor shall be elected as Trustees to serve on a Board and as such assume the duties and responsibilities of the Trustee under this indenture. The three (3) individuals receiving the highest number of votes shall serve for a three (3) year term. The individuals who receive the fourth & fifth highest number of votes shall serve for a two (2) year term. The individuals receiving the sixth & seventh highest number of votes shall serve for a one (1) year term. Thereafter, as these terms expire, new Trustees shall be elected to serve for three (3) year terms.

BOARD POSITIONS AND RESPONSIBILITIES

The positions of President, Vice-president, Secretary, and Treasurer shall be appointed by the Board following the annual meeting. Any board member is authorized as a signer on Oakwood Harbor checks except the Treasurer.

President — shall be responsible for conducting all monthly and annual meetings.

Vice President — shall be responsible for the tasks of the President in his/her absence.

Secretary — shall be responsible for recording and transcribing the Minutes of every meeting and shall present a copy of the previous meeting Minutes at each meeting for approval by the board. If the Minutes have been sent to board members prior to the current meeting by text, email or any other method, it is not necessary to read the Minutes aloud prior to their approval.

Treasurer — shall be responsible for preparing and presenting a monthly and annual accounting of all monies received and spent on behalf of the Oakwood Harbor property owners; shall have sole access to the Oakwood Harbor banking via Internet.

Any Board member who cannot attend a scheduled meeting shall contact the President of the Board and tell him/her they will not be able to attend. The President will inform the remainder of

the Board as to the absence and reason for the absence. The Board present will determine as a group if the absence is excusable or unwarranted. In the event the President cannot attend he/she will contact the Vice President. The Vice President shall assume the duties of the President for that meeting.

Any Trustee who misses two (2) consecutive monthly meetings and/or more than four (4) meetings without an excusable cause within the fiscal year (April 1 thru March 31) is subject to immediate removal from the Oakwood Harbor Board of Trustees upon a motion and vote of the board in attendance. The determination of excusable or not shall be stated at the Board roll call by the president and made part of the meeting minutes.

Whereas election/appointment to the Board of Trustees is a position of trust it behooves all Board members to assure their property assessments are paid in full on or before the due date of April 15 annually. Any Trustee who fails to meet this obligation will be suspended from all board related duties until such time as their assessments are paid in full. If said assessments are not paid in full on or before the following June 15th said Trustee shall be subject to removal from the Board upon a motion and vote by the board of the property owners in attendance.

The successor or successors to the Trustee or Trustees when term has expired shall be elected by ballot enclosed with the annual statements which are mailed in January.

The successor or successors to the Trustee or Trustees when term has expired shall be elected by the lot owners by ballot. If applicable, election ballots are mailed at the beginning of each year with annual statements. The election results are then announced at the annual meeting in April. The owner or owners of each lot shall be entitled to one (1) vote for each full lot owned, which vote may be cast by mail, by person or by notarized proxy. The person or persons receiving the highest number of votes or ballots shall be deemed elected and shall, upon his or their acceptance in writing (which includes signage of Oakwood Harbor's Confidentiality Agreement), at once and by force of this indenture, succeed and shall be vested with, possessed of all of the estate, rights, interests, privileges and powers by this indenture granted to his or their predecessor or predecessors.

In the event any Trustee named herein or elected hereunder, with the exception of the original Trustee (who shall be replaced as set forth in Paragraph 1 of this Article I) shall die, resign, or become incompetent for whatever reason to discharge the duties and avail himself or herself of or exercise the rights and powers granted herein or bestowed upon him or them as Trustees under this indenture, then and thereupon, it shall be the duty of the remaining Trustees to select a successor to fill the unexpired term of such deceased or incompetent Trustee or Trustees.

EMPLOYEES

The Oakwood Harbor Property Owners Association shall maintain adequate employees to

maintain the standards as set and funded by the property owners. The employees shall include one Office Manager/Secretary, one general maintenance person, and one cleaning person. The Office Manager/Secretary shall be responsible for the day-to-day operations of Oakwood Harbor under the direction of the board of trustees. The Office Manager/Secretary shall answer directly to the Board Treasurer. The Board Treasurer shall report all personnel matters to the general Board of Trustees. No employee shall circumvent the chain of command without

explainable due cause. Temporary employees may be retained as contract labor when needed, such as holiday security on Memorial Day, July 4th, and Labor Day or seasonal help as needed. All employees regardless of department and all volunteers who help in the office must sign an Oakwood Harbor Confidentiality Agreement to ensure the privacy of proprietary and personal property owner information.

MEETINGS

1. There shall be an annual meeting of lot owners at a convenient place in McIntosh County, Oklahoma, for the transaction of such business as may properly come before said meeting, on the third Saturday in April each year, unless it conflicts with a holiday weekend, then the following Saturday at the same time, beginning in the year 1993 and each year thereafter. Notice of the date, time and place of said meeting shall be included with annual statements that are mailed to property owners each January. At each annual meeting, the Trustee or Trustees shall render an accounting of all Monies received, disbursed and held by them during and at the end of the preceding calendar year.

Annual statements will also include ballots for the reelection of trustees if applicable and any ballot questions which are relevant at that time. In the event of a Special meeting of lot owners, lot owners will be notified by mail at least seven (7) days in advance.

VOTING

Any lot owner who has failed to pay any assessment due and payable shall not be entitled to vote at any annual or special meeting as provided for above or for any new board member(s) and ballot initiative(s). In any election of Trustees, the owner of each lot shall be entitled to one (1) vote for each full lot owned by him, which vote may be cast in person, by mail or by notarized proxy. No person shall, however, be considered the owner of a lot until the fee simple title of said lot shall have been conveyed to him by Warranty Deed, duly recorded as is legally accepted, or a contract for deed has been registered with the Trustees that reflects the buyer as the deed holder and the seller as the lien holder.

In any election property owners are entitled to one vote for each lot(s) owned or the number of owners listed on said lot or lots. Example: Owner X owns ten lots. Owner X is married and

their spouse is on the deed(s) as an equal owner of the property(s). Owner X and spouse are entitled to one vote, not one vote each. Any business relevant or pertinent to the affairs of the Oakwood Harbor property, or subdivision thereof, may and shall be transacted by mail via ballots which are mailed with annual statements.

ARTICLE II RIGHTS AND POWERS OF THE TRUSTEESHIP

1. The Trusteeship is a legal entity and shall have the capacity and right to sue as such and shall have the right and duty to enforce, either in the Trustee's own name or in the name of any owner within the subdivision, any and all restrictive covenants and restrictions which may now or which may hereafter be imposed upon any of the lots in Oakwood Harbor subdivision, either in the form as originally placed or as subsequently amended. It is the intention of the Grantor, and it does so declare, that the Trustee named in this instrument shall be the Trustee for the entire tract and for any portion thereof that may be subdivided and platted into separate lots. The rights and powers of the Trusteeship set forth herein may be enforced by the lot purchasers or owners. The Trustee shall at all times exercise his rights and powers for the sole benefit of lot purchasers and lot owners. The rights and powers of the Trusteeship set forth herein may be enforced by a quorum of fifty-one percent (51%) of participating lot purchasers or lot owners eligible to vote.
2. The Trustee shall have the power to construct, reconstruct, improve, contract for, maintain or repair streets or roadways of any kind or qualities upon the several strips of land herein conveyed or to be conveyed to them as the property is subdivided and which are designated on said plats as streets, drives, lanes, roads and walkways, and related facilities to be constructed on the above-described property.
3. The Trustee shall have the right and power to provide for the plowing or removal of snow from the aforesaid streets, roadways and trailways.
4. The Trustee shall have the right and power to plant, care for, spray, trim, protect and replant shrubbery and to sow or resow, trim and care for grass in and upon the drives, streets, lanes and roads herein conveyed to him or to be conveyed, or in or upon any other areas of the subdivision.
5. The Trustee shall have the right and power to provide lights in or on all drives, lanes, circles, streets and roads, and on or at all gateways or entrances, or in such other places in or about the area covered by this indenture as he may in his judgment determine.
6. The Trustee shall have the right and power to grant easements in, over, along and under the streets, drives, lanes, or roads conveyed to him for any of the purposes set out in Article II hereof. In addition to the foregoing rights and powers, the Trustee shall have the right and power to grant right of way easements to electric, telephone and other utilities in order to permit

them to place, replace, construct, reconstruct, operate, repair, maintain and relocate thereon, and in or upon all streets, roads or highways abutting said lands, either above ground or underground or a combination of both a transmission or distribution line or system for the purpose of furnishing service to the above described premises, and to extend said line or system in the future on and across the above described tracts that may be subdivided and platted in separate lots to enable the utilities to furnish service to others and the right to have ingress and egress to, from and over the above described lands, for doing anything necessary or useful for.

7. The Trustee shall have the right and power to construct, to operate, to lease, to purchase, or in any other manner to construct or provide for sewers or sewage or wastewater disposal facilities, drainage, water, gas, electricity, street lighting, telephone service, or fire protection facilities to serve all or any part of said above described tracts, either in their present state or as subdivided, subject to all provisions of applicable law, federal, state and local.

In providing for such services or facilities, the Trustee may himself make use of or he may convey, transfer or assign whole or partial rights in and to the easements created by this indenture, or easement created and set out on the plats of the subdivision of the within described tracts.

8. The Trustee shall have the right and power to provide for and maintain gateways, entrances, and other ornamental or recreational features in said subdivision on any lands set aside for the general use of the owners of the lots in said subdivision or to which the said owners have access and the use thereof.
9. The Trustee shall have the right and power to care for and maintain any and all vacant lots, remove weeds and cut grass there-on, to pick up and remove therefrom loose materials, trash and rubbish of all kinds, and to do anything and all other things necessary or desirable in the judgment of the Trustee to keep such vacant and unimproved property neat in appearance and in good order. The Trustee reserves the right to mow and clean-up said lots and to charge each owner a reasonable fee for this service. Failure to pay the charge where it has become necessary to mow and clean said lot shall give the right to the Trustee or his agent, to place a lien against the property for this service and to collect therefore in an action in debt. The Trustee shall also have the right to remove debris, trash, or any unsightly accumulation of materials or junk from lots upon giving lot purchasers or owners thirty (30) days prior written notice of his intention to do so.

ARTICLE III ASSESSMENTS BY THE TRUSTEE

1. The Trustee and his successors are hereby authorized, empowered and granted the right to make assessments upon and against the said several lots and said parcels of land in the subdivision for the

purpose and at the rates and on the conditions hereinafter provided:

- (a) To make a Uniform annual assessment (except as herein-after provided) of One Hundred (\$100.00) per year for each lot or equivalent thereof upon and against the several lots or parcels of land in said subdivision for the purpose of carrying out the general duties and powers of the Trustee as described herein and for the further purpose of enabling the Trustee to defend and enforce the restrictive covenants as hereinafter described. Thereafter, an automatic cost-of-living adjustment (COLA) shall be added annually to the cost of each lot assessment or equivalent thereof (regardless of the number of lots or equivalents thereof owned) beginning in 2022, as determined by the Social Security Administration (SSA). The uniform annual assessment shall be made as of April 15 each year. Property that is not subdivided into lots on the recorded plat will be subject to assessments based on the property's size and the equivalent number of adjacent or neighboring lot(s) that would equal said property's size. For example, if a property is 16,800 square feet in size and adjacent lots are 2,800 square feet in size, the property is the equivalent of six lots and assessments shall be made accordingly.
- (b) To make special assessments if, at any time, the Trustee shall consider it necessary to make any expenditures requiring an assessment, in addition to the assessments above provided, in such an event, he shall transmit in writing to the owners of lots or equivalent thereof, for their approval, an outline of the plan for the project contemplated and the estimated amount required for completion of the same and the total assessment required. If such a project and the assessment so stated must be approved by ballot vote by a fifty-one percent (51%) majority vote of participating owners. The Trustee shall notify all owners of the said tracts of the additional assessments. At no time shall any special assessment exceed \$50.00 per property owner per year.
- (c) Any time there is a contract for deed, sale or any other changes in the ownership, the notarized appropriate documents shall be mailed to the Oakwood Harbor Property Owners' Association at 416949 E. 1076 Road, Checotah, Ok. 74426. This should be sent by registered or certified mail. The Trustees shall then cause the records of the Association to be updated. The property purchaser shall be responsible for recording the deed with the County Clerk. Assessments, fees and fines must be paid at the time of the property transfer. Any unpaid assessments, fees and fines at the time of transfer shall be the responsibility of the buyer.
- (d) When a contract for deed exists, until such time as the contract is fulfilled and the buyer's name appears on the title as the deed holder, the seller remains the legal property owner. Until the contract is fulfilled, if the buyer's name does not appear on the deed, the buyer has no voting privileges *unless* the seller gives his notarized proxy to the buyer.
- (e) The rental of any properties within Oakwood Harbor is expressly forbidden. All properties are to be owner occupied. Any owner-financed properties must conform to Oklahoma laws. Rent to own is not permitted. The first violation of this provision will result in the individual(s)

owner(s) receiving a Warning to comply with the provision within thirty (30) days. Additional or continuing violations will result in the individual(s) property owner(s) being assessed a \$250.00 fine for each month that the violation continues.

- (f) All assessments, either general or special, made by the Trustee for the purposes herein above enumerated shall be made in the manner and subject to the following procedure, to-wit:
- a. Notice of all assessments, covenant violations and fines may be given by mail addressed to the last known or usual post office address of the holder of the legal title or lot purchaser and deposited in the United States mail, postage prepaid, or may be given by posting a brief notice of the assessment upon the lot itself. Service in either of the above methods shall be sufficient.
 - b. Every assessment shall become past due and payable within thirty (30) days after notice is given as herein above provided. From and after the date when said payment is past due, it shall bear interest at the rate of ten percent (10%) per annum until paid and such payment and interest shall constitute a lien upon said lot and said lien shall continue in full force and effect until said amount is fully paid. At any time after the levying of an assessment and its entry in the Trustee's minutes, the Trustee may, in addition, execute and acknowledge an instrument reciting the levy of the assessment with respect to any one or more lots and cause same to be recorded in the office of the Recorder of Deeds, and the Trustee may, upon payment, cancel or release any one or more lots from the liability of assessment (as shown by recorded instrument) by executing, acknowledging and recording (at the expense of the owner of the property affected) a release of such assessment with respect to any lot or lots affected, and the Trustee shall cause to be noted from time to time in corporate minutes of his proceedings, the payment made on account of assessments. The Trustee may institute proceedings to foreclose the lien imposed by the failure to pay assessments under this instrument in a court of competent jurisdiction. Delinquent accounts may be sent to collections.

EASEMENTS

The roadway easements are marked by the telephone poles on the sides of the roadways. The roadway easements are not to be used for permanent or *long term* parking of any vehicles. No permanent structures can be placed on the easements. Any vehicles including boats, trailers, etc. left unattended on any easement are subject to impoundment at the expense of the vehicle owner. The use and enjoyment of each lot in the subdivision is subject to the rights and powers of the Trustee and Trusteeship established in this instrument and these restrictive Covenants, or as the same may hereafter be amended. These restrictive Covenants are mutually enforceable by the Trustee and each lot purchaser or owner and shall be applied uniformly to every lot.
2. Prior to beginning construction or moving any structures into Oakwood Harbor the owner must submit his/her plans in writing to the Board of Trustees indicating the proposed location of said structure and projected completion date. The Board of Trustees shall approve or deny, by a majority vote, the application in writing within thirty-one days of application. The first violation of this provision will result in the individual(s) being given a Warning to comply with the provision within thirty (30) days. Failure to comply will subject the individual(s) to a \$250 fine per month until the violation is corrected. Existing violations that occurred in years past because copies of the covenants were not available for distribution or because misinformation was provided shall be considered "grandfathered in" and shall not be subject to either this warning or penalty.

Additional or continuing violations will subject the individual(s) to a \$250.00 fine per vehicle, per day that the violation continues.
7. Property owners have access to water at each bathhouse facility. Bulk trash disposal is not provided by Oakwood Harbor. Bulk trash such as furniture and appliances is not permitted in the trash receptacles provided by the association. (Community trash service was discontinued in March 2021 when it became cost prohibitive to no longer provide this service due to the number of property owners living full time in the park; due to the inability to prevent trash disposal by non

residents and due to the inability to prevent bulk and hazardous waste disposal by both residents and non residents.)

9. The Oakwood Harbor Property Owners Association shall maintain certain common grounds for the express use of Oakwood Harbor Property owners and their guests. There shall be a minimum of three bathhouses, which provide heated shower and restroom facilities. These structures shall also be the distribution point for fresh water.
