Chairman's Visit & Activities

Upon students' arrival in Japan, the Honorable Chairman of KJLC personally visited the airport to welcome them. He discussed important topics such as Japanese culture, daily life rules, part-time job opportunities, and provided moral and practical guidance to help them start their new life with confidence.

Student Arrival Summary

All students arrived safely in Japan between March 29 – April 5, 2025. KJLC ensured complete pre-departure and post-arrival support including document verification, airport pickup coordination, and dormitory arrangement assistance.

Cultural Exchange & Support

KJLC remains committed to building a bridge between Bangladesh and Japan by ensuring continuous guidance, support, and counseling for students in Japan. Regular communication is maintained through KJLC Japan coordinators and partner schools.

Future Plans

KJLC aims to expand student capacity, introduce online Japanese training for remote areas, and strengthen partnerships with more Japanese institutions for the upcoming October 2026 and April 2026 Intakes.
