ASSESSMENT

Completion of the certification program requires completion of an examination on multiple choice question (MCQ) and/or short questions and an industrial project. The assessment is prepared by a Board of Examiners consisting of a range of Certified Practitioner and Educator Members from reputable Universities.

The Certification Program is administered by PASAS Qualification Review Board (ORB) responsible for reviewing the eligibility of applicants, the conduct of the examination itself, and notifying candidates of the results. It is also accredited by International Accreditation Organisation (IAO)

IAO provides international accreditation to the education providers to serve as secondary accreditation, enhance the entity's regional accreditation and assures stakeholders that the educational program, policies and procedures of the institute, university and school are up to the international standards of quality. IAO's International Accreditation represents an education provider's commitment to delivering quality which is on a par with the global standards.

PASAS is a not-for-profit professional organization that was initiated to enhance the development of the purchasing and supply profession by providing them educational opportunities and relevant information through a variety of programmes, services and activities.

The Vision of PASAS is to serve as the recognized centre for excellence and resource of choice for purchasing and supply management professionals in Singapore and regionally through the promotion of world class standards of conduct and competency. And our mission is to develop, promote, and deliver programs, products, and services in response to changing needs, wants, and conditions, to continually expand our Association's value and to facilitate the recruitment and retention of a diverse and broad based membership through opportunities for personal and professional development.

PASAS exists to promote and develop high standards of professional skill, ability and integrity among all those engaged in purchasing and supply chain management. PASAS Academy assists individuals, organizations and the profession as a whole. PASAS is the leading body representing the field of purchasing and supply chain management. Established in 2003, we have grown to become the reference for industry best practice and our code of conduct is the standard around the world.
