Puppy selection typically follows a first come first served basis by order of deposit. However, preference may be given to reputable breeders searching for a puppy to join their breeding program, and/or preference may be given to individuals or organizations searching for a service dog or show dog. Breeders, service dogs, and show dogs will have an additional fee for full AKC registration.

For the health of the puppies, we do not allow visitors before the puppies are vaccinated and cleared by our vet, therefore, puppies will be picked at the time of pick up.
