Boys & Girls Youth Club

## MISSOULA MONTANA

zootown406.com

### PLAYER SCHOLARSHIP:

Zootown 406 is an Insured Non Profit 501(c)3 all-inclusive youth program. Our Mission Statement:

*To build and develop the skills of each player while incorporating youth character development in a positive, healthy environment! The program includes a strong emphasis on Integrity, Teamwork, Sportsmanship and Discipline. Each player is valued for their own unique strengths and will be challenged to improve their skills over the course of the season.*

Our player scholarships are funded by very generous community sponsors and partners and through Zootown406's fundraising efforts. Scholarships are awarded in consideration of need and will be awarded in various amounts to reduce the player fee. We ask that you indicate how much you can afford so we can take this into consideration. This form must be returned with the player registration. Returning the form does not guarantee scholarship, scholarships are granted based on order received, need, and funds available.
