Church Growth at Oasis of Love

Eph. 1:13 NIV-- And you also were included in Christ when you heard the message of truth, the gospel of your salvation.

Oasis of Love Church hosted a Prophetic meeting that was attended by several churches in the San Luis Potosi area. Throughout the year, the churches have cooperated with different meetings, but for the Prophet Isabel Contreras, Oasis of love served as host – taking on the full responsibility of the meeting. It was a big undertaking, but the results were awesome.

Due to ongoing mechanical issues with their primary vehicle; Sammy and Martha have been forced to keep their travel to a minimum. While this limitation has prevented outreach to the villages and indigenous people; it has allowed for more time to invest in the local church. The congregation and cell groups across the area have grown.

Both before and after the successful meeting with Isabel Contreras; there were a lot of improvements made to the Oasis of Love building. If you watched the live feed, the Praise and Worship was vibrant and beautiful by any standards. Additional improvements have been made possible by a member that has pledged to continue the work began before the meeting.

A few before and after pictures to demonstrate the hard work by volunteers and those that were paid to do some needed specialized work.

But beyond the beautification of the place of Worship, spiritual warfare has been going on. Whole families have been delivered from worshipping the “Holy Death” and the shrines have been torn down and thrown out.

Rejoice with us for 56 that made new commitments to Christ through our works around the city and may more at our missions. Some of those were baptized in the service shown on the back page. Oasis of Love has its own Facebook page in Spanish! It's a wonderful addition to the Extensions of Jesus Facebook page in English. Look for both of them and be blessed at the many views that the church page is receiving.

A BEAUTIFUL PLACE TO BE BAPTIZED

WORK, WORK, PRACTICE, PRACTICE

Preparing to host the multi-church meeting with Isabel Contreras. The results were beautiful.

For those of you that are supporting Extensions of Jesus and the work at Oasis of Love church in San Luis Potosi; your giving statement will be enclosed with your newsletter. We want to thank you for your faithfulness to this ministry and remind you that we consider you our partners in every salvation, healing, and victory over our enemy the devil. If you would like to make a specific donation for the Christmas outreaches, please be sure to designate what your offering is for.,

We continue to follow the leadership of the Holy Spirit for opportunities to minister where ever God leads and will be with one of our missionaries this January celebrating the opening of a school for the deaf among the Otomis community. We believe that “Our God will supply all of our needs according to his riches in glory by Christ Jesus.” (Philippians 4:19 – personalized from NIV) But, we also believe that “This same God who takes care of me will supply all your needs from his glorious riches, which have been given to us in Christ Jesus.” (personalized for YOU from the New Living Translation)

Because we have this promise; we’re placing the care of our vehicle and what ministry we will do at the end of 2018 in God’s capable hands. He knows our needs.

God is confirming his Word! We know the Word will not return unto Him void, it will accomplish that which he pleases. As we see world events pointing to the end times and the return of our Lord; let’s not hold back! Let’s be bold to proclaim the Good News and reach the lost!

[Hebrews 10:25 - New Living Translation](#)

And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.
