June / July 2018 Newsletter

**GRANT TO YOUR SERVANTS THAT WITH ALL BOLDNESS THEY MAY SPEAK YOUR WORD**

The first part of 2018 has been busy with a renewed focus on Oasis of Love church and leadership training. God has also given us favor and fellowship with other ministries and fellow believers, and as a result we have been able to have several conferences and meetings in connection with other churches.

Our transmission went out on the way to the annual Missions Conference this month, but God's favor and protection was with us as we broke down in a safe place and a precious brother in Christ loaned us a vehicle so we could make the trip.

The theme of the missions' conference this year was "Hold Fast". Notably when you read the entire scripture, this is not at all a scripture accepting defeat. The New International Version of Hebrews 10:23 says it this way: *Let us hold unswervingly to the hope we profess, for he who promised is faithful.* Or as Acts 4:29 & 30 declares in the face of adversity and persecution: *"Grant to your servants that with all boldness they will speak your Word<sup>30</sup> by stretching out Your hand to heal, and that signs and wonders may be done through the name of Your holy Servant Jesus."*

There is no place in the bible where you will see that God leaves us with an expectation of defeat in the face of adversity, persecution, or any other hardship. Instead, 2<sup>nd</sup> Corinthians 2:14 holds this promise: *But I thank God, who always leads us in victory because of Christ. Wherever we go, God uses us to make clear what it means to know Christ. It's like a fragrance that fills the air.* [GOD'S WORD® Translation](#)

If we look only at the circumstances in this world, we see that sin has become worse and worse. But this is the time that we as Christians must stand with the hope and light for a lost and dying world. Because, we know from *Romans 5:20 "where sin abounded, grace did much more abound.* We have the answer, and the answer is the gospel of Jesus Christ. We have direction, and that is to take that gospel to everyone, every where until Jesus comes back.

There are financial needs for the ministry to do all we can do and there have been some that have said, "all we can do right now is pray." Thank God for your prayers! Please pray Acts 29 & 30 over the ministry that we will preach the Word boldly with signs following. Join us in spiritual warfare from right there in your home and claim the victory over every situation that we face; spiritual, physical, or financial. As we join together as the believers in the early church did in the face of adversity, and as we pray holding fast to the hope we profess, we know that we will have a manifestation of the glory and provision of God that demonstrates an example of His power to the lost.

Here are some of the things that God has already done recently:

- ✚ July Ministers conference with 4 churches with “Advance School for Leadership included 250 leaders from different churches in the area.

We ask that you agree with us for the following ministry needs:

- ❖ 12 of the pastors in the mountain churches need tires for their vehicles.
- ❖ Transmission for our car as well as a reliable truck or sturdy SUV that is more suited for mountain outreaches.

Pictures this month are of Martha ministering, Sammy at the leadership conference, and the Worship Team Conference and Barbeque.

We pray for our ministry partners and are so thankful for each one of you. Thank you for your prayers and support of this ministry. May God richly bless each of you as you share with us in the rewards and victories.

In Christ,

*Sammy and Martha Langston*
