

## 2019 OVERVIEW – MINISTERING TO THE LOST

There were so many outreaches and accomplishments in 2019 that they can't all be listed in this newsletter! What an awesome report to share with those that have prayed and contributed to the ministry of Extensions of Jesus! Each outreach, guest speaker, and combined community service represents lives that have been impacted and changed as a result of the commitment of ministry partners and Sammy and Martha Langston. Shown in this letter are some of the year's highlights. Be encouraged and challenged for a new year in 2020!

*It all started with a vehicle that was suitable for travel outside the city. Donations from our partners made this possible.*

*At Oasis of Love Church God moved on hearts to work and donate for much needed repairs and remodeling:*

*Special Guests and speakers made an impact in San Luis Potosi and in the Mountain Villages. With visits from Pastor Jerry Cox, Carl Luepnitz, Mark and Rebecca Sanchez, an Evangelist from Spain, and toward the end of this year, Dave Roevers.*

And whose heart doesn't melt when looking at the outreaches to communities and the city dump where shoe box gifts were received by children who would otherwise have no gift; and food and blankets were distributed to those that need them.

God supernaturally multiplied food and blankets in such a way that we gave to over 180 families a box 📦 of food and blanket. We couldn't have done
