## **2020 Year End, The Pandemic, and Going Forward in 2021**

**We are so grateful:** Most of you know that Sammy and Martha were exposed to the Corona Virus and while Martha and the girls were fortunate to have a mild case; Sammy was very, very sick, requiring oxygen and follow-up physical therapy to strengthen his lungs. In a very real-life demonstration of what it means to be **Partners**; you our friends and partners, stepped in with earnest prayer and intercession and donations of money for medication. With your support and God's healing power, Sammy is now on the road to recovery and in the process of regaining his strength and lung capacity. We are so grateful for your faithfulness and love over these past several weeks, and thank God for answering our prayer for healing and recovery.

Any donations sent in before 2020-year end will be enclosed with this News Letter. If you sent in something that isn't included; it was received after year end. (The mail has been very slow!)

The Christmas season is one of the busiest times for Extensions of Jesus and Oasis of Love Church. Regardless of the Pandemic, the challenge of illness, and all of the restrictions; the annual Christmas outreach is going forward with just a little delay. Blankets, food, and shoe box gifts for the children have been picked up and volunteers from Oasis of Love have stepped in to make trips necessary to bless those in the villages that they were meant to bless. (Pictures are included!)

The work on the School for the deaf continues with the mess hall, class rooms, and parking left to complete. They are also planning to add a small apartment on the second floor for teachers who come in. Areas will need to be furnished with tables, heating, lights, and other materials. In adversity and hardship; the work of the ministry continues through the power of God and the faithfulness of our wonderful partners. **Mark 9:41 - For whosoever shall give you a cup of water to drink in my name, because ye belong to Christ, verily I say unto you, he shall not lose his reward. (KJV)**

**Moving Forward:** Please continue lift up this ministry and the country of Mexico in your prayers: **Psalms 67:2 - May your ways be known throughout the earth, your saving power among people everywhere. (NLT)**

The current situation in Mexico is very serious as the Pandemic has reached serious levels. Needed medications are in short supply and most are unable to pay the high cost to purchase them. Hospitals are overwhelmed. Please continue to pray for a mighty and powerful move of God that saves, heals, and delivers the lost, the sick, and the dying. For 2021 we will be starting new outreaches as we branch out into new communities! We are also updating our Facebook ministry through a better broadcast from our church in San Luis Potosí, Mexico to reach more and do more for our community through teaching, help for parents, and help for married couples.

*Thank you to our wonderful Partners,*

*Sammy and Martha Langston*
