### **HAPPY NEW YEAR! BLESSINGS FOR 2022!**

As we reflect on the past year, it requires focus to take our eyes off of the “things seen” (Eph. 6:12) and keep our eyes on the promises of God fulfilled. In the midst of the pandemic, inflation, rising prices, and shocking displays of anti-Christian behavior from powerful and influential groups and individuals; God is moving in great and mighty ways. He WILL hasten his Word to perform it. (Jer. 1:12)

So, we move into 2022; not counting Covid cases or gas prices; but counting salvations, healings, and victories in the body of Christ WITH MORE TO COME! God has placed each of us in the body at this time with a purpose -- and he has equipped us for the time in which he has placed us. Let's stir up the gifts that God has placed in us and move from timidity to powerful as we know that “no weapon formed against us shall prosper.” (Isa. 54:17)

As we have done each year; we celebrate the milestones of the past year and include the year end giving statements in the envelope with your newsletter or attached with your email. If you have any questions or concerns with the amount shown; please don't hesitate to email:

In addition; it is noteworthy that if you use the QR code to give electronically, there are no fees and no need to buy a stamp. Using PayPal is convenient, but does include a small fee and the need to pull up the website.

**Christmas boxes, food, and blankets were also distributed to other communities and churches in spite of challenges along the way:**

Conditions in Mexico have made travel a greater challenge, especially the trip to the Airport to pick up the Christmas Boxes. But, "we can do all things through Christ". (Phill 4:13)
