To have the freedom to do this; there have been ministry workers raised up in the local church to preach, teach, pray, and minister in other important ways. Oasis of Love hosted an opportunity for church leadership at Oasis of love and other area churches to receive a degree certification. Those recently graduating with diplomas from REAP International (part of the ministry of Dave Roeber) are pictured here.

The REAP International degree certification is a challenging and condensed course with three days of testing before the degree is awarded. A large percentage typically will not be certified due to their lack of knowledge of the bible. However, Sammy and Martha received their degree and their ministry group in attendance made up a large percentage of those that received their degree.

Prophetic Conference & Youth Meeting at Oasis of Love Church

A Message from Sammy & Martha

Dear Partners,

Martha and I wanted to share all that we have done to date and ongoing projects. We have been doing quite a bit of traveling these past couple of months and only have two more months of ongoing seminars for leaders and pastors in three states. Our goals to date have included over nine separate trips within the past three months; along with two trips made to finish the gates for the school in Otomis for the hearing impaired.

Many new souls have come to Christ through our outreaches at the city hospitals and prisons. Along with working with our partner pastors and friends, we see an ongoing opportunity to work with our state and city leaders to reach those that are at the bottom economic level.

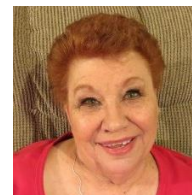

Our prayer is that we need more laborers to help us meet the needs we see every day. Oasis of Love Church has helped to pick up the slack as many of our members put their own finances into projects to help feed the needy. We are so proud of our church family because they have the heart of Christ!

Our hearts desire is that you will pray and believe with us for strength and direction as we have two trips this weekend to minister to marriages of one of our pastor friends and then returning on Saturday evening for our own church service. Then we will be leaving the following week to preach an anniversary service at the church called Philadelphia in the mountains.

We thank you for partnering with us to reach Mexico for the Lord.

Blessings and Love,

Sammy and Martha Langston

Eva Langston

On September 19th my mother, Eva Langston went on to be with the Lord. While we will miss her so much; we rejoice that she is enjoying her reward in heaven with my father and so many that she has led to the Lord over the years. Please keep the family in your prayers as we walk through the difficult time of saying goodbye to our wonderful mother, mentor, and example of God's love.

- Due to the passing of Eva Langston, some of these events may be postponed. The Schedule is left intact for the newsletter so that you can see expanse of their outreach and responsibilities.

Eph. 3:20, 21 – Now to Him that is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, forever and ever! Amen.

SOME REALLY EXCITING EVENTS OVER THE LAST FEW MONTHS!!

Note from Sammy: What times we are living in when the authorities of the land are asking for unity and prayers of the different religions of the state! We had the privilege of sitting down with the Brigadier General who is in charge of the armed forces over the state of San Luis Potosi to talk over plans to pray for peace over our state.

The Brigadier General over the San Luis Potosi state in Mexico has called pastors and leaders together. (Sammy is in the back, left of the general.)

The “Four Houses” are the name that the four churches have given themselves as a group of independent churches that come together to have special speakers, and other significant meetings that have a greater impact on their community than doing things separately. The meeting shown here is a dinner event for more than 175 pastors and leaders from several states. It was truly a blessing to all.

We were blessed to have Mark and Rebecca Sanchez come to minister for us in July at the Filadelfia Church and also in the Otomis community.

Gates were purchased and installed at the School for the Deaf in the Otomis Community as the school continues to move forward toward completion.

Please keep all of the Langston family in your prayers as they travel to Texas for the funeral. Also, the extended family as they go through the process of saying goodbye to their mother, mentor, and friend.
