Fall Update – November 2020

Dear Partners,

It is with great joy we can share that the vehicle is up to par with all the needed work done. We are now ready for the **Christmas trips that begin the 12th of December!**

This is where our partners come into play! We really do need funds for blankets food, and materials for the dentist to do the dental work for the Otomis people. We can't do this without God's help, and you our partners. **We believe that this year will be our best year yet in reaching the lost for Christ!**

Sharing God's love and hope begins with us giving to those in need. Our prayers are that souls come to see God's grace over their lives and in doing so come to Jesus as their Lord and Savior.

Our plans to travel to the states to spend Thanksgiving with family and raise funds for this project have been cancelled as my sister and brother-in-law fight the good fight over sickness; believing God for a full and speedy recovery!

Please ask the Lord if you are to be a part of this outreach. We need your prayers and support as we reach out to the Otomis and Mountain Churches, their communities and precious children, and demonstrate the love of God during the Christmas season.

We pray for Gods blessings to each of you for a wonderful Christmas season for you and your families.

Love in Christ,

Sammy and Martha Langston

We will be traveling to the Otomis where we plan to take 28 of our youth and a dentist! The new equipment is already there.

We will also be installing windows for the kitchen at the school for the hearing impaired while there also.
