

Summer 2021

Hartz Sealcoating will be on site starting Monday June 14th to sealcoat the remaining asphalt in CYA, CYB, the pool parking lot and the main drive. Work will begin in CYB on Monday. CYA, the pool parking area and the incoming side of the roadway will be seal coated on Wednesday. The outgoing side of the driveway will be seal coated on Friday.

Areas must be vacated by 8:00 am on the day the work is scheduled to be completed and those areas will be totally inaccessible until they re-open the following day at 5:00 pm.

As you well know, parking is at a premium so all must be patient and fully cooperative. Guests must park off-site during this project and those in violation will be towed without further warning.

This is a temporary inconvenience but well worth the extra effort.

The pool is open and ready for use. The new pool pump house and landscape changes are a beautiful addition to this COA amenity. Please follow the pool rules closely to assure that all have a safe and fun pool experience.

Note: the pool will be closed each Monday until 12:00 noon for weekly pool maintenance.

Contact Premier Property Management at 513-843-0310 if you have questions or concerns.

Best regards,

Your Board of Managers
