

**Safety Protocol Options Questionnaire for**  
**Private In-Person Kinderdance East Bay Classes**  
**(Fall 2020)**

Please answer YES or NO to each of the following statements:

1. Distance Rule Options: Answer YES or NO for following statements:

- A. All students and teacher must maintain a 6' distance throughout class. \_\_\_\_
- B. All students and teacher must maintain a 6' distance for MOST of class. When this distance is broken, both student and teacher MUST wear a mask. \_\_\_\_
- C. It is okay for students to touch each other and stand closer than 6' from one another. \_\_\_\_

2. Mask Rule Options: Answer YES or NO for the following choices:

- A. All students and teacher must be masked for the ENTIRE class. \_\_\_\_
- B. The teacher will be masked for the entire class, while students are encouraged but not required to be masked when maintaining a 6' distance from one another. \_\_\_\_
- C. The teacher will be masked for the entire class, however students are encouraged but not required to be masked even when touching each other or maintaining LESS than a 6' distance from one another. \_\_\_\_

3. Mat Options: Answer YES or NO for A and B

- A. We would like a floor mat section of class, where students learn and practice "mat skills". We understand that both student and teacher would be masked during this section, as contact between teacher and student is likely. We understand that students and teacher will sanitize hands before each contact and that mat is cleaned between each student's use. \_\_\_\_
- B. We would like a "mat section", where students bring their own mat or towel and no contact between teacher and student is made. We understand that skills taught in this section will be limited, as no spotting will be permitted. \_\_\_\_

\*mark this statement with an "X" if it is true:

- C. We do not want a mat or floor acrobatics section of class. \_\_\_\_

4. Equipment/ Prop Options: Answer YES or NO for the following choices:

- A. It is okay for students to handle/ share the same equipment and props without sanitizing between use. \_\_\_\_
- B. It is okay for students to handle the same equipment and props as long as it is sanitized between use. \_\_\_\_

\*mark this statement with an "X" if it is true:

- C. We do not want a mat or floor acrobatics section of class. \_\_\_\_
