## Greetings Orting Eagle Members

We are now in the start of March, and it seems that this year has been passing very quickly. We have a busy month ahead of us and I know with the continued efforts of our club volunteers, employees, and officers we will once again be successful in our endeavors. As always, we look for fresh faces to assist and volunteer in our club events, so please if you're interested don't hesitate to make yourself known. We have many events coming up in the next few months and can surely use an extra hand.

As customary I would like to give a shout a couple shout outs. First to one of the hardest working Trustees this club has ever had. Earl Serosky. Earl is here probably 4 or more times a week, repairing or installing something that needs attention. Second shout out goes to Reid Brown. Reid is not only our club Treasurer but, also a member our Painting/Siding committee and has been diligently involved and on-sight almost every day since the project broke ground. Thank You Reid!

For those members who haven't heard, it brings me great sorrow to inform you that we have lost our oldest Charter Member Mr. Jim Bradley a couple of weeks ago. Jim's loss to this club will forever be felt. His countless years of dedication to the Eagles and the Daffodils Organization is beyond measure. He will never be forgotten. Jim Memorial service is scheduled on March 21<sup>st</sup> in the hall. There will be catered food as well as an invite for potluck. To Honor Jim please make a consorted effort to attend if possible.

A look into March here are a few events scheduled:  
Aerie /Auxiliary District Meeting 8 March @ South Tacoma Eagles #2933 Breakfast 8-10am  
Jim Bradley's Memorial 21 March @ 300pm in the (Hall)  
Kentucky Derby Horse Auction & VIP Experience @ 3-4pm March 28th  
Card Crafting for Veterans 22 March @ 100-300pm -Please see Gina Rosendale for location  
Bake Sale March 20th @ 5:00-700pm  
Old Soldiers Home/ Tiny Home Presentation on programs to support. Tuesday 10March @ 7:15pm Ladies Auxiliary Meeting room( upstairs) all club members are welcome  
The Siding & Paint project is coming along nicely as you can see. Please beware this is an active construction site. Please observe all cautioned areas and be cognizant on where you park.

Please continue to support our great club, its officers, volunteers, and fellow members. Please remember to be gracious, loving, and respectful to one another, even if there are differences of opinions. And always, " If I cannot speak well of an eagle, I shall not speak ill of him."

Until next month  
Love and Respect  
Darric "Del" Delmonico  
Worthy President

## Madam President's Letter:

Hard to believe that we are already at the beginning of March, heading out of a very mild winter and into spring. The change in seasons is bringing exciting updates to our building as well. The new siding is going into place, and fresh paint is right around the corner — it is going to look amazing! Thank you to everyone who continues to support and take pride in our club.

February was filled with wonderful events, and I hope many of you were able to participate. The Sweethearts Dinner and Dance on February 14 was truly special. A huge shout out to Christy and Dave for preparing such an incredible dinner — your hard work and talent made the evening memorable for all who attended. I also heard fantastic things about the Couples Paint and Sip on February 15. Thank you to Aerie Trustee Dallas for coordinating these events each week and keeping our calendar full of fun opportunities to connect.

March promises to be just as busy, with several important events on the calendar. I encourage everyone to find a way to support the club — whether by volunteering your time, attending events, or lending a helping hand where needed.

There are a few key dates I would like to highlight:

- **March 10 at 7:15 p.m.** – The Auxiliary invites all members to join us in the Auxiliary Room for a special presentation on the Tiny Home Village at the Old Soldiers Home. Light refreshments will be provided. At the conclusion of the presentation, we will be "passing the hat" to collect donations toward the sponsorship of a second tiny home. Your generosity can make a meaningful difference.
- **March 20** – The Auxiliary will host another bake sale during Queen of Hearts. Proceeds will support hall improvements that will benefit the entire club. Be sure to stop by and treat yourself while supporting a great cause.
- **March 21** – Memorial for Aerie Charter Member Jim Bradley. We anticipate a large turnout and hope many of our members will attend to support the family during this difficult time. Volunteers will be needed for set up, serving, and clean up. This will be a potluck event, and food donations would be greatly appreciated.

As if all of that wasn't enough, nominations for officers will take place in April. All offices are open. If you are interested in serving as an officer, please submit a letter of interest to the Auxiliary Secretary Box. I encourage you to attend meetings in March and April to learn more about the roles and to take an active part in selecting the officers who will be installed in June.

Thank you for your continued dedication, energy, and heart. Together, we are building something truly special — not just in brick and paint, but in community and service.

Looking forward to seeing you at our March events!

Fraternally,

Michelle Singer  
Auxiliary Madam President
