Worthy President's & Madam President's Letters

Dear Brothers and Sisters,

As we approach the latter half of the summer, I want to thank each of you for making our Aerie a welcoming place for members, families, and guests. Whether you've volunteered at an event, worked in the kitchen, sold raffle tickets, attended meetings, or simply stopped in to enjoy fellowship, your support is what keeps our Aerie strong.

August is shaping up to be another exciting month. We have plenty of opportunities to get together, including our **Membership Appreciation Picnic on Saturday, August 29**. I hope you'll join us for a day of great food, games, raffles, and fellowship. Don't forget to bring a favorite dish to share as we celebrate our members and everything we've accomplished together.

We also have some exciting improvements happening around the club. We have purchased a **new bar cooler**, and we'll be installing it over the next couple of weeks.

Another important project moving forward is the **kitchen fire suppression system upgrade**. The permit applications have been submitted, and we're hopeful that work will begin shortly. These improvements are an investment in the future of our Aerie and will help keep our facility safe, code compliant and up to date for years to come.

Our Friday night activities continue to be a great success with **Queen of Hearts** and **Texas Hold'em**. Sunday's Weekly Drawing and Meat Raffle continue to bring members together each week. Thank you to everyone who participates and to the many volunteers who make these events possible. As we prepare for the busy fall season, we are always looking for members who would like to become more involved. Volunteering is a great way to meet fellow members, support our charitable mission, and help ensure the continued success of our Aerie. Even a few hours of your time can make a big difference.

Please continue inviting friends and family who share our values to consider becoming members. A growing membership helps strengthen our organization and allows us to continue supporting our community through the Fraternal Order of Eagles' principles of Liberty, Truth, Justice, and Equality.

Thank you again for your continued support, friendship, and dedication to Orting Eagles #3480. I look forward to seeing you around the club throughout August and wish everyone a safe and enjoyable end to the summer. As always please ensure at all times your conduct and others around you are adhering to our established "House Rules".

In closing:

Our club and its members that can self-reflect, see our short comings and strive to correct will ultimately show what true fraternalism is. True fraternalism thrives when members look inward, hold themselves accountable, and prioritize collective growth over individual egos. By anchoring our club in self-reflection and mutual respect, you build a resilient culture that can weather challenges and sustain long-term success. As always "If I cannot speak well of an Eagle I will not speak, I'll of him."

Until next month.

Fraternally,
Darric "Del" Delmonico
Worthy President

Dear Sisters and Friends,

Wow! I don't know about anyone else, but I'm still trying to figure out where the first half of this year went!

We have a lot happening around our club right now. Improvements are being made in the kitchen, behind the bar, and throughout the landscaping. It's exciting to see these much-needed projects taking shape. Thank you to everyone who supports our raffles, fundraisers, and other activities that help make these improvements possible. Your generosity truly makes a difference.

August is always an exciting month because it's time for our **Member Appreciation Picnic!** This is one of my favorite events of the year, filled with great food, fun activities, and wonderful fellowship. Watch for more details about the schedule, volunteer opportunities, and all the exciting things we have planned. I hope to see many of you there!

The Auxiliary will also be drawing the winner of our amazing **Camping Wagon Raffle**. Tickets are just **\$1 each**, and every dollar raised supports two wonderful causes—our scholarship fund and our sponsorship of a tiny home. If you haven't purchased your tickets yet, be sure to grab one (or a few!) at the bar before the drawing.

We're also collecting school supplies for our annual **School Supply Drive**. As you're shopping while those back-to-school sales are going on, please consider picking up an extra notebook, package of pencils, crayons, or another school supply item. Every donation, no matter how small, helps ensure local students have the tools they need for a successful school year. **People Helping People** isn't just our motto—it's what we do best, and our members never fail to step up when our community needs us.

I also want to share a couple of important reminders. If you would like to host an event under the Auxiliary, please be sure to attend a regular meeting and present your motion to the membership. If approved, our Trustees will then present the request to the Aerie Trustees for final approval. Please don't skip these important steps—they help ensure everything runs smoothly for everyone involved.

And if you're serving as the chairperson for an event, please remember to attend our regular meetings so you can keep the membership updated on your plans and progress. Communication helps make every event a success.

Finally, here's something fun to look forward to! Applications for this year's **Christmas Bazaar** are now available, and vendor spaces are filling quickly. This event is our largest fundraiser benefiting the Senior Center and is always a favorite with both vendors and shoppers. I know I never leave without finding at least one special gift—or something that just has to come home with me! If you'd like to reserve a booth, be sure to pick up your application soon. If being a vendor isn't for you but you'd still like to help, please reach out to **Rita Kaufman** or **Gina Rosendale** to learn about our volunteer opportunities. We'd love to have you join us!

I hope you all have a wonderful August. Thank you for everything you do to make our club such a caring, hardworking, and welcoming place. Together, we continue to make a positive impact in our club and throughout our community.

Fraternally,
Michelle Singer
Auxiliary Madam President

ONE TICK BITE.
One life can change forever.

A routine day outdoors. A tiny tick.
A series of mysterious symptoms that
changed everything.

BITTEN is a true story of
misdiagnosis, resilience, and the fight
to be heard. It's a must-read for anyone
who loves the outdoors—or wants to
understand the growing tick crisis.
