Greeting Orting Eagles #3480 Members,

July is already here! We had a busy June with several improvements around the club. Our plumbing and sewer repairs have been completed, along with the landscaping. We are also hoping to finish the side yard by getting the grass area prepared and seeded soon. The club will be closing early at **6:00 PM on Saturday, July 4th**. I hope everyone has a safe and enjoyable Independence Day weekend with family and friends. We still have several officer positions available. Officer nominations will be held during the **Aerie Meeting on Tuesday, July 14th, at 7:00 PM**. We also have several committee openings, and I encourage anyone interested in helping our club continue to grow to come see me. It takes all of us working together to make Orting Eagles #3480 successful. I also encourage everyone to read this month's newsletter article, "**Collaboration Is Key**," as it reflects what we can accomplish when we work together. During July, we will be upgrading the kitchen fire suppression system to bring it up to current code. We also hope to begin work on the fish wall and river rock memorial wall in the back BBQ area in honor of our Past Worthy President, Tom Kaufman. Don't forget that the **Biggie Texas Hold'em Poker Tournament is Sunday, July 26th, at 1:00 PM**. Please mark your calendars for our **Membership Appreciation Picnic on Saturday, August 29th**. It's always a great day filled with fun, food, and fellowship. I also encourage everyone to continue supporting our weekly events. Your participation helps fund improvements to our beautiful club. Some of our upcoming projects include a new outdoor reader board, replacing the kitchen floor, installing updated parking lot signage, and purchasing a new cooler for the social room.

Remember, positions are temporary. Ranks and titles are limited. But the way you treat people will always be remembered.

As always: "*If I cannot speak well of an Eagle, I shall not speak ill of one.*"

**Until next month,
Love and Respect,
Darric "Del" Delmonico
Worthy President**

As we reach the end of June, it is hard to believe how quickly this year is moving along. We are also preparing to celebrate our country's 250th anniversary. I was a young child in 1977 when we celebrated the Bicentennial, and I feel truly blessed to be a small part of this historic celebration as we begin recognizing this important milestone in our nation's history. Our Auxiliary is currently putting together a camping-themed raffle basket that will be raffled off during our Member Appreciation Picnic in August. Proceeds from the raffle will be divided between our scholarship fund sponsorship of tiny home project. Be sure to pick up your raffle tickets and support these wonderful causes. The Auxiliary also has several volunteer opportunities available and is currently seeking members interested in serving as Conductor and Inside Guard. If you are interested in becoming more involved, please leave a note in the Auxiliary Secretary's box or join us at one of our regular meetings. We would love to have you join us.

There are many exciting activities happening at the club this month, along with countless opportunities to support both our club and the community. We hope to see many of you attending upcoming events and meetings. The Auxiliary will once again be conducting a school supply drive this year. Collection boxes will be available in Late July or early August. While shopping, please consider picking up an extra item or two to donate. The students and families we support through this effort are always incredibly appreciative of the generosity shown by our community.

This is yet another example of how we continue to live out our motto: "People Helping People".

Fraternally,
Michelle Singer
Auxiliary Madam President

COLLABORATION IS KEY.

WORKING TOGETHER MAKES A DIFFERENCE.

★ Stronger Together. Better Communication. Brighter Future. ★

COLLABORATION IS KEY

Written by Zack Timmons

Every year, the Fraternal Order of Eagles loses tens of thousands of members for the same reason – fighting within our Aeries and Auxiliaries.

Whether that fighting is between Aerie and Auxiliary members or groups within each of the sides, it is indisputable that a lack of teamwork continues to stifle our potential as a whole.

Roughly **82%** of our dropped members each year mention turmoil or politics as a main contributor for why they're choosing to leave the organization.

When we let these problems linger, they have lasting effects that can lead to significant membership drops and, in some cases, permanent closure of our Aerie homes.

Fostering a positive environment that encourages collaboration and communication can be achieved in multiple ways.

JOINT MEETINGS

- Hold regular joint meetings between the Aerie and Auxiliary to encourage teamwork between the two sides and to give members an avenue to converse in a way that isn't behind-the-scenes gossip or games of telephone that lead to misinterpreted messaging.
- The most successful locations we see around the country have Aeries and Auxiliaries that work together, respect each others opinions and offer clear lines of communication to cut off issues before it's too late.

MAKES A DIFFERENCE

LEAD BY EXAMPLE

- Having leaders who set the example for what is expected behaviorally makes an incredible difference in the long term viability of your Aerie/Auxiliary.
- When your officers handle themselves appropriately and address problems quickly, your members are more likely to renew annually.
- In most cases, members leave the organization because the turmoil is being driven by officers themselves or is allowed to persist by officers who do not appropriately discipline the individuals causing problems within the Aerie home.
- Rules exist for a reason and if your local leaders don't appropriately enforce those rules, eventually the bad actors at your Aerie/Auxiliary will take advantage of that inaction to the detriment of everyone. Similarly, if you enforce the rules as intended, your members are less likely to create issues.

RESPECT EACH OTHER

- Many of our Aeries and Auxiliaries have hundreds or thousands of members. Naturally, people will have differing opinions on certain matters related to operations and events.
- The most important thing you can do is be civil and show respect to each other, even in the face of disagreement.
- We're all fighting for the same goal and even if our desired paths to that goal may be different, we must keep our eyes on the prize and treat our fellow Eagles as what they are – our Brothers & Sisters.

TOGETHER WE CAN

| Stronger Aeries. Stronger Auxiliaries. Stronger Fraternity.
