The 6 Types of Working Genius

Unleashing Your Working Genius

This Working Genius leadership workshop for teams helps participants understand how work gets done across the six types of working genius and where collaboration can break down. Delivered as a single, focused session, teams gain practical tools to reduce frustration, improve workflow clarity, and collaborate more effectively across the full work cycle.

Who This Workshop is For

- Leadership teams and intact teams
- Cross-functional teams working across the full work cycle
- Organizations experiencing friction, stalled execution, or misalignment
- Teams seeking clearer roles, handoffs, and collaboration

Why Working Genius?

Working Genius provides a practical framework for understanding how people contribute to work. Teams that understand and leverage these differences collaborate more effectively and complete work with less frustration.
