Dear Community Partners:

The 2027 Season of the Caswell farmers Market is upon us.

This initiative provides a local marketplace for our local small farms to sell their items, provides educational activities for children and provides funds for our area food pantries meeting the hunger needs in Caswell County.

Each market we strive to provide a welcoming shopping experience including live music, children's education opportunities, community information and of course locally sourced produce, protein and baked goods.

This year we are excited that we have secured a grant to help the farmers in reimbursing some of their planting expenses to ensure there is adequate inventory at the market.

Market Facts:

- The downtown location is drawing over 25% more visitors than Hwy86; ~150 per market total
- Visitors from across the region attend weekly; ~50% come from outside Caswell
- Roster of 20+ farms earning collectively over $151,213 in last several years
- A weekly mini festival with live music, children's activities, food truck and fun!
- An economic engine for the county overall with various groups working together
- Caswell County Local Food Council, nonprofit entity/volunteer board manages the market

We invite your organization to support us by attending the market, sharing the news of the success and if you are so inclined, to be a sponsor of the events. The following levels are available

Market Friend - $250
Market Advocate - $500
Market Supporter - $1,000
Market Patron - $2,500

Each sponsor will be recognized on the web site at https://caswelllocalfoods.org/ and with posts on social media. Thank you for your support in this important work in our agriculture-based community. Respond to this email and we will provide a link or invoice for your processing.

Thank you!

Caswell County Local Foods Council Board
