

Hi, I'm Ella!

MEET ELLA

**GEELONG
SUPPORT WORKER**

ABOUT ME

I enjoy catching up with friends over a coffee or getting out for a walk together. I have grown up on a dairy farm by the coast, and love all animals! Especially my ragdoll cat - she is the cutest!

EXPERIENCE

I have been working as a support worker while completing my nursing degree and have fallen in love with it. I am confident with hoist transfers and personal care. I have supported children and older individuals, working with autism and ABI's.
