SUPPORT WORKER**

ABOUT ME

Hi, I'm Ella! I am a support worker at Momentum Disability Support Co. I enjoy running, trying out new cafes, hanging out with my friends and family and going to the beach! I have 2 dogs, Zara and Kaia who I love very much.

EXPERIENCE

This is actually my first job working as a support worker! However in the past I have been a babysitter, and worked in a paediatric occupational therapy clinic, where I worked with people with various disabilities. I am excited to be working as a support worker at Momentum!
