DISABILITY  
SUPPORT CO.

## Eve

Support Worker

### About Me

I am right into my sports, especially AFL or Rugby. Having a background in landscaping, I enjoy getting outdoors, whether it's in the garden or just out for a walk. Occasionally, I like to play video games.

### Experience

In my role as a support worker, I have primarily supported people with Autism, Down Syndrome and poor mental health. I love to help people feel confident and live more independently.

### Contact
