

momentum

DISABILITY
SUPPORT CO.

About Me

Hi, I'm Lili! I founded Momentum Disability Support Co. with the belief that everyone deserves care that suits them, their way. I spend a lot of my spare time with friends, cooking up new recipes and cuddling up with my two cats!

Experience

I have 5 years' experience across the aged & disability sector, where I have worked with various disabilities. I confidently work with complex behaviors in all ages.
