ABOUT ME

Hi I'm Amber, I'm someone who loves the simple joys in life, spending time with my pets, getting outdoors, and embracing a natural way of living. I love to be creative and really enjoy trying new crafts. I value a balanced, easygoing lifestyle.

EXPERIENCE

I bring a strong, well-rounded understanding of the support sector, shaped by a lifetime of personal experience. Growing up with a brother who has a disability has given me valuable insight into how the system operates, including its processes and challenges.
