ABOUT ME

Hi, I'm Jenna. I love being outdoors and making the most of my free time by staying active and social. Whether it's a walk by the beach or catching up with friends, I value time to relax, have fun and connect with the people around me.

EXPERIENCE

I've been working in the disability sector for almost a year and have 4 years of experience as a Learning Support at a local primary school. Through this, I have gained knowledge and experience with various disabilities.
