

January 2019

Bright Ideas Enrichment Center
Sherwood, Arkansas

Curriculum Corner

January is here! This new month comes with winter wonders that make it a thrilling time of year. This month's theme is "Winter Wonders". Your children will learn all about the wonders of winter as they play and explore!

Our character education will focus on patience and what it means to be patient.

Parents, catch your children being patient this month - even if it's just a little - and praise them for their efforts!

HAPPY NEW YEAR!

On behalf of the staff at Bright Ideas, we hope you all had a wonderful holiday and a Happy New Year! To our new families, welcome! We are so happy you're here! Thank you to all of our families for starting the New Year with us. We are excited for all of the learning (and fun!) to come in 2019.

We wish you all a safe winter! Remember to dress children appropriately for outside play! We take the children outside twice a day weather permitting. Weather permitting is defined as 32 degrees or greater and not actively precipitating. We bundle your children up, so please be sure to bring a coat and hat labeled with your child's name. Only a doctor's note will be allowed to excuse your child from outdoor play.

SNOW PAINT!

Materials needed: shaving cream, white school glue (4oz bottle), and white or silver glitter (optional).

Instructions: Pour entire bottle of glue into a bowl. Mix shaving cream slowly until it becomes a light and fluffy consistency. If the recipe looks heavy or sticky, add more shaving cream.

Optional: Add glitter.

Reminder: Children sent home with a temperature of 101 or higher need to stay home until they are fever free for 24 hours. Thank you.
