Curriculum

This month in Pinnacle® we are discovering "Winter Wonders"!

Look around your child(ren)'s classroom for enrichments, such as snowflakes, snow, and ice! You can help broaden your child(ren)'s vocabulary by using this month's new words, including snowman, frosty, and mittens.

Talk with your child(ren) about new items of clothing and help boost their independence by letting them put them on by themselves! Play games with them, such as "What goes on your _____ when it's cold outside?" In class, we will learn about cold weather animals, including penguins, seals, and polar bears. We will be experiencing the smells, sounds, and feelings of winter season!
