Where Are My Child(ren)'s Belongings?

Please ensure that your child(ren)'s name is on ALL of his/her/their belongings. If you are missing any items, please advise child(ren)'s teacher. Also, please remember to keep two changes of clothes in your child(ren)'s cubby at all times. Thank you!

A Note from the Director

February is a very special month full of opportunities to learn! We start the month off by learning about Groundhog Day with activities organized to teach the children all about our furry friend. Throughout the month, we will learn about Black History by sharing stories of those who have had great influence on our country. Of course, we will be celebrating Valentine's Day, too! Keep an eye out for a sign-up sheet in each child's class for their classroom's Valentine's Day party. President's Day comes next! Each class will learn about a different president. We will then share what we've learned amongst different classes. We are excited to teach your children all about our country's leaders! There is so much to do, and we have lots to learn, so let the month begin! Thank you for entrusting your children to our care.

Ms. Bonnie
