

Notice

Dear Residents of Sark,

I am writing to let you know that the maximum electricity price per unit allowed in Sark will remain at 53p/kWh for the month of June.

The electricity price adjustment forms part of my continuing role in ensuring that the prices charged for electricity supplies in Sark are fair and reasonable. Full details of the calculations I have used are set out in the recent Variation to the Price Control Order (www.epc.sark.gg).
