Directions to Home Office

Currently, Dr. Pierce-Davis is seeing all clients virtually, via Zoom

Otherwise:

My Home office is located at 6603 Colina Lane, Austin, 78759

Take Oak Knoll exit off HWY 183.

Turn west at the traffic light on to Oak Knoll.

Cross Jollyville and continue on Oak Knoll to Colina Lane, about one mile.

Turn right on Colina Lane; second house on the left.

Please park away from any mailboxes. Our mail carrier gets a little snippy when we park too close to his destinations. Can't say that I blame him . . .

If the designated parking space off the driveway is available, please park there. Before you reach the front door, you will see my office door to your left.
