Commodore's June Comments

June Comments

We had two great events in May. First up was our Mothers' Day celebration at Crazy Gators. Attendees were given the task of completing common sayings that our mothers might have said to us at one time or another. Even though we're all from different parts of the country, it was amazing how we all came up with the same answers. Even scarier was the realization that we've used those same words on our own children. I guess the acorn doesn't fall too far from the tree! Thanks to the Rhoads and Kindingers for a fun event.

If you were unable to attend the rescheduled GPS Scrabble that was held on Monday the 24th, you missed a terrific event. The sun was out and the wind was finally calm. Similar to the Poker Run, we were given a map showing the location of seven canisters. You didn't need to use your GPS, but it was fun and good practice for those of us who did. Once you retrieved your envelopes, the Karrels and the Scotts recorded your letters and you then returned to your boat to scrabble the letters to find which word gave you the most points. There was much shuffling of letters and bemoaning some of the combinations we had to work with.

June looks to be another busy month. June 8th -11th marks our first trip in over two years as we trailer our boats to the Riveria Resort on the St. John's River. These trips are always one of the year's highlights. On Wednesday, June 30th, we return to Hurricanes. Due to the limited docking space on the weekends, we're going to try a midweek event. We'll also be eating outside as Hurricanes will reserve the north dining space for us.

Looking ahead to Christmas, we'll be holding our Christmas Banquet at the Country Club of Mt. Dora this year. It will be an evening event. I'll need some volunteers to help me with some of the details so please let me know if you can help.

Hope to see you at our summer events!

Happy Pontooning!

Vice Commodore Report June Reminder

Unfortunately, there is no news regarding potential new members at this time.

As a reminder, we have cards available that you can distribute to interested candidates. They show the club having fun on the water, with the website address prominently displayed. They are standard business-card size, so you can easily keep a supply of them in your wallet, purse, boat, or car glove box. Then when you meet new folks with a pontoon boat who seem like promising members at waterside restaurants or docks, you can give them a card at the end of your sales pitch!

Bettie and I will bring the inventory with us to all outings, so please feel free to ask us for some. Our club needs new members!

In The Past by Kay Weaver

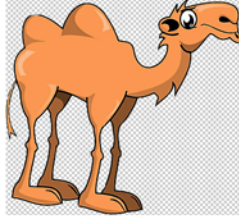

June 21, 2003 Dead River Vic's - In spite of the rain showers, we met at the newly opened Dead River Vic's Restaurant and were the first boat club to visit. We had 36 members in attendance and met on Lake Harris for a short boat ride before arriving at Dead River Vic's. Our Commodore, Roy Weddle, updated us on Mitzi Schuemann who was fighting her battle against cancer, and welcomed Terry Weaver back after recovering from a heart attack on Friday, June 13th. The food was terrific and quite a nice spread--salad bar, two kinds of soup, makings for sandwiches, green bean and corn casserole, baked Ziti and pasta with peppers and tomatoes and they also had a carving station with flank steak that was excellent. To end a perfectly lovely day everyone sang Happy Birthday to Kay Weaver who was celebrating the 29th anniversary of her 29th birthday or so a little birdy said who didn't know her true age, and a good time was had by all!

June Events

The June 8th outing at Riviera Resort on the St. John's River has five boats and 22 people attending. We plan to do a lot of exploring on the river. The first day we will have lunch on the river at St. John's Grille and explore Hontoon Island and the St. John's Dead River. Dinner is a cookout at Riviera Resort. Wednesday will be a trip to Astor for lunch at William's Landing and a Pizza party for dinner. Thursday we head south on the river to Blue Springs State Park and will finish the day with dinner at Emmy's Time Out Restaurant in Deland. Friday will be breakfast at Deleon Springs State Park Old Mill Restaurant before heading home.
