## **Commodore's May Comments**

### **Commodore Comments – May 2021**

We had two great events in April. On April 10th we had our first outing back to a restaurant. Those of us who were at Crazy Gator's were pleased with the precautions they took. The food was great, and our server did a great job getting it out in a timely manner.

Pizza at Hickory Point Pavilion was our April 24th event. I do not ever remember being on the first floor, but it worked out well. It was breezy that day so there was plenty of air circulation to keep us cool and safe. Hungry Howie's delivered our pizza, and everyone agreed it tasted terrific. Many of us had never had their pizza before, but after today, we decided that we'd order from them in the future.

At the recent Board Meeting, a subcommittee was formed to look at the role of Associate Memberships in our club. Bob Nebergall, Butch Karrels, and Carol Clarke are the members. Additionally, the Board decided that for the current year, the club would pay the cost to rent a venue for an event. As usual, this would need to be approved ahead of time.

I hope to see everyone at our May events. We will be back at Crazy Gator's to celebrate Moms and then a new GPS Scrabble ending with a picnic at Hickory Point.

Enjoy being on the water!

Commodore Cindy

### **Vice Commodore Report – May 2021**

Unfortunately, there is no news regarding potential new members at this time.

As a reminder, we have cards available that you can distribute to interested candidates. They show the club having fun on the water, with the website address prominently displayed. They are standard business-card size, so you can easily keep a supply of them in your wallet, purse, boat, or car glove box. Then when you meet new folks with a pontoon boat who seem like promising members at waterside restaurants or docks, you can give them a card at the end of your sales pitch!

Bettie and I will bring the inventory with us to all outings, so please feel free to ask us for some. Our club needs new members!

The PYC outing at Hickory Point, was well attended! There were 3 boats, 24 attendees and 9 cars. The boats present were Clarke/Banta, Kapoor and Petrichko. Thanks to the intrepid Captains who braved the rough lakes! We are glad for the "landlubbers" who helped support the event.
