## No Dogs Left Behind Receives \$2,000 Grant for Lifesaving Success in National Adoption Challenge

*Best Friends Animal Society grant recognizes No Dogs Left Behind for helping 41 dogs find homes through the Bring Love Home Challenge*

Berkley, MI – January 29, 2026 — No Dogs Left Behind has been awarded a \$2,000 grant from [Best Friends Animal Society](#), a leading national animal welfare organization working to save cats and dogs in America's shelters.

The grant recognizes No Dogs Left Behind's efforts to increase pet adoptions through successfully completing the Best Friends Bring Love Home Challenge — a nationwide initiative led by Best Friends to help more cats and dogs find homes this December.

The Bring Love Home Challenge ran from December 1-31, 2025. Nearly 300 organizations were selected to participate, with 219 reporting their results, leading to an extraordinary 15,279 pets finding homes in December — including 41 adopted in December from No Dogs Left Behind!

“We spent all of December celebrating the dogs who got to be in a home for the holidays thanks to our participation in the Bring Love Home Challenge,” said Nikki Follis, volunteer and foster for No Dogs Left Behind. “Being awarded this grant from Best Friends means we can keep that incredible momentum going! This challenge and grant will have lasting effects for the pups in our care, and for our community.”

Participants in the Bring Love Home Challenge piloted data-backed best practices to make pet adoption and fostering more accessible and welcoming to their community— which included reducing adoption fees, shortening applications, eliminating home checks, offering multilingual adoption and foster support, and more.

“More pets being adopted and fostered means more lives saved. We’re proud to recognize No Dogs Left Behind for their commitment to lifesaving,” said Whitney Bollinger, Director of

Strategy & Network Operations, Best Friends Animal Society. "Participating in the Bring Love Home Challenge got cats and dogs out of shelters and into homes in December, and we are excited to see this lifesaving continue with even more pets in Oakland County continuing to find the loving homes they deserve!"
