- SUMMER SPLASH
- SCHOOL ELECTIONS
- WORLD BOOK DAY
- TELUGU VELUGU ACHIEVEMENT
- CBSE CLASS X RESULTS
- SUMMER CAMP 2026

Welcome to vibrant and refreshing edition of our April Newsletter! This season has been filled with learning, creativity, celebrations, and memorable experiences at our school. As the summer days became brighter, our students remained enthusiastically engaged in a wide range of academic, cultural, and recreational activities that nurtured both knowledge and personal growth. Here's a glimpse of the wonderful moments we cherished together.

LEARN & LEAD FINANCIAL LITERACY STARTS YOUNG

On April 1st, 2026, we proudly inaugurated the **CHS Students' Bank** with the inspiring motto, “**Save Today, Secure Tomorrow.**” This meaningful initiative encouraged students to cultivate the habit of saving money and understanding the importance of financial discipline from an early age. Through this activity, students realized that even small savings can pave the way toward a secure future and help transform aspirations into achievements.

THE GENESIS OF INQUIRY: SCIENTIFIC LEARNING EXPERIENCE

To commence the academic year 2026–27 on an innovative note, students from Classes UKG to 9 enthusiastically participated in a **Science Activity Day on April 1st**. Students explored fascinating experiments, observed scientific reactions, and discovered concepts through experiential learning activities. The session ignited curiosity, analytical thinking, and a spirit of exploration among learners.

CELEBRATING SIBLINGS DAY

On April 10th, students from UKG to Class 10 celebrated **Siblings Day** with immense joy and warmth. The occasion highlighted the affection, companionship, and unwavering support shared among siblings. Interactive activities enabled students to express their emotions and appreciate the significance of familial bonds.

PROBIOTIC PANACEA: BUTTERMILK ACTIVITY

As temperatures continued to soar, students participated in a refreshing **Buttermilk Activity on April 11th**. They learned how traditional homemade beverages like buttermilk help maintain hydration and well-being during summer. Students also observed the preparation process using ingredients such as curd, ginger, and curry leaves, making the activity both informative and delightful.

WORLD ART DAY CELEBRATION

The campus transformed into a hub of colour and imagination **on April 15th** as students celebrated **World Art Day**. Through vibrant drawings, paintings, and sketches, students showcased their creativity and artistic flair. The event encouraged self-expression and fostered appreciation for art in its diverse forms.

SUMMER SPLASH

On April 18th, students from UKG to Class 3 enjoyed the much-awaited **Summer Splash** activity. Filled with cheerful water games and laughter, the event provided children with a rejuvenating break from the summer heat. Their excitement and energetic participation made the day truly unforgettable.

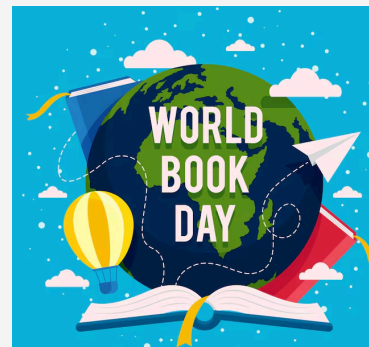

SCHOOL ELECTIONS

Students from Classes 3 to 10 actively participated in the **School Elections** held **on April 20th**. Candidates confidently presented their visions and leadership qualities, while students experienced the significance of voting and democratic principles firsthand.

The event instilled responsibility, collaboration, and leadership skills in a practical manner.

WORLD BOOK DAY

World Book Day was celebrated **on April 23rd** with an array of literary and language-based activities across all classes. Younger students delighted in storytelling, word games, and character enactments, while senior students engaged in creative writing, vocabulary enhancement, and public speaking exercises. The celebration inspired reading habits and strengthened communication skills among learners.

WINS THIS MONTH

We are delighted to announce that our students achieved remarkable success in the “**Telugu Velugu**” competitions conducted at P.B. Siddhartha College. Competing in the **Sahitya Quiz** alongside several schools, **Sharvani (Class 10)** and **Bhavan Sri Surya (Class 8)** secured the **Third Prize**. Their accomplishment reflects their dedication, talent, and admiration for Telugu language and literature. Heartfelt congratulations to both students!

CBSE CLASS X RESULTS

We are immensely proud of our **Class X CBSE results for the academic year 2025–26**. Students achieved commendable scores through perseverance and determination. Special congratulations to toppers **Ch. Hrithika** and **Mahi Mourya**, who secured an outstanding **476/500**. Their achievement has become a source of inspiration for the entire school community.

SUMMER CAMP 2026

Our **Summer Camp 2026** successfully provided students with a vibrant platform to discover and develop their interests and talents. Activities such as classical dance, football, baking, skating, volleyball, robotics, art, and craft kept students enthusiastically engaged throughout the camp. The program enabled children to acquire new skills, enhance creativity, and build self-confidence in a joyful atmosphere.

TOGETHER WE GROW

As we conclude the month of April, we proudly look back on the joyful learning experiences, achievements, and memorable moments shared by our students. Every activity, classroom interaction, and celebration reflected the spirit of curiosity, creativity, and teamwork. We sincerely thank our dedicated teachers and supportive parents for being constant partners in nurturing young minds. We continue to build a caring and inspiring environment where every child learns with confidence, grows with values, and shines with happiness. Let us move ahead with the same enthusiasm and commitment towards another wonderful month of learning and success.

Happy Holidays!
