

Standard Poodle Health Guarantee

Your puppy is guaranteed to be in good health at the time of pick up or shipping. In order for your health guarantee to be in effect you must take your puppy to a licensed veterinarian within 3 to 5 days of delivery (not including weekends or holidays).

1. The buyer is encouraged to take the puppy to a vet during this time frame for a health check. It is not intended to cover things which are prone to the breed and size of dog. This would include, uneven bites, base narrow mandible, undescended testicles, and inguinal or umbilical hernias. If the puppy does not check out healthy (excluding, parasites parvo or coccidia) a refund will be given. We will not be held responsible for veterinary costs of any kind. We must have in writing the health concern signed by a licensed veterinarian for a refund or replacement. After the 3 to 5 days, absolutely no replacements or refund will be given for any health reason. Breeder reserves the right to have the puppy examined by a licensed veterinarian of their choice to verify diagnosis before replacing or refunding. Puppy must be returned and accompanied with documented proof of illness from licensed veterinarian, within 7 days of purchase, (Breeder not responsible for transportation costs.)

2. This puppy is guaranteed to the original buyer for (1) one year against hereditary/genetic diseases (e.g. heart, liver or kidneys) and 1 yr. for Hip Dysplasia. All breeding dog's hips must be tested with either OFA or penn hip before breeding or this contract is null and void. If dog is found to have a serious hereditary/genetic disease a replacement puppy of equal value will be given when available. Documentation from licensed veterinarian must be given. It is understood that breeder is never responsible for veterinarian bills or transportation costs.

3. TRANSFER OF DOG (s) and FAILURE TO COMPLY WITH CONTRACT:

The Seller (Ken and Jerilynn McRae) reserves the right of first refusal should the dog be in need of rehoming. It is understood ANY transfer of the dog without first contacting the seller and first right of refusal shall cause this contract to be in violation allowing the seller (Jerilynn McRae) the right to take possession of the dog. The seller does not take lightly the transferring of any dog to multiple homes. Security and stability alongside care and contact are vital to the health of a family dog. It is the seller's goal to have this be a priority to the buyer. Buyer shall advise seller of any new address so that contact can be maintained. It is the desire of the seller to maintain contact to guarantee placement if needed outside of any shelter, pound, rescue or inappropriate home. Placing a dog is not something the seller takes lightly. Seller is committed to the life of this dog. As discussed throughout this contract. This dog is bred as a companion animal. Though it may be capable of achieving excellence in obedience trials or in the show ring and/or breeding, no warranty is given or provided by Gems Poodles as to the dog's ability to do so.
