

I WANT YOU TO MAKE LOVE TO MY WIFE

Sides

Dan and Connie have a big difference in age. Due to medical reasons, Dan can no longer perform in the bedroom. He also seems to have 'forgotten' a promise he made to his wife. A promise about making sure she was taken care of in the bedroom when he could no longer 'provide'. That day is now...

INT. CARLYSLE HOME - DAY

CONNIE

So this is a promise you made to me
and now you're upset because I
bring it up?

DAN

I am not upset.

CONNIE

You are upset, *do not lie to me*. I
sat here and watched your face turn
to stone when I mentioned it.

DAN

I just don't think its important in
the bigger scheme of things.

CONNIE

Important to who? To you? Of course
its not important to you now that
its no longer part of your
possibilities. But this was a
promise you made to me at the
beginning of our journey. When I
was apprehensive about our age gap.
I knew we would get here one day
but you promised me it wouldn't
matter.

DAN

We have had an incredible marriage,
are you really going to focus on
this one thing?

Connie locks eyes with Dan

CONNIE

You know the kind of woman I am.
You know what I love to do. *Why are
you asking me this?*

DAN

You would think that after 15 years
of marriage....

CONNIE

(interrupting)

What, I am supposed to give it up?
Just let a huge part of who I am
dissipate with a smile? No dan, I
am still very much a hungry woman
in all aspects of living.

(MORE)

CONNIE (CONT'D)

That includes sex. You promised me
that I would always be taken care
of. ***Are you now going back on that?***

SCENE 2: DAN and DEXTER

Dan and Dexter are in the middle of conversation.

DAN

You seem a little fidgety are you
ok?

DEXTER

I'm fine. I am just ready for you
to get to the point.

DAN

Well I was trying to give you back
story.

DEXTER

I don't need back story. You told
me this was a money opportunity not
a storytelling trip to the era of
Methuselah.

DAN

Well I want you to understand
things before I explain an offer. I
don't want you to think I am weird.

DEXTER

Why would I think you were weird?

A thought comes into Dexter's head.

DEXTER (CONT'D)

Wait a minute, this isn't about no
funny stuff is it?

DAN

Funny stuff?

DEXTER

I'm not with that gay shit my dude.

DAN

(eager to disprove)

No no no..there is nothing gay here. No I'm as straight as an arrow. I can't even go into the mens bathroom if there are more than two guys at the urinal. I am as straight as they come.

DEXTER

Good. Well why don't we just get to the point.

Dan hesitates, looking down before locking eyes with Dexter once again,

DAN

It's my wife. We need a favor..
