

ONE TURN DESERVES A MOTHER

Sides edited for a smoother audition read.

A mother is cornered when her son's best friend reveals a complicated plot of revenge

INT. MERLOWE HOME - DAY

SALLY

You spent the last few years using
my son just to get to me?

BRANDON

I did it *in honor* of your son. All
of this effort is because of Caleb.

SALLY

You're not making any sense.

BRANDON

Your son is the reason my mom is
dead.

SALLY

What are you talking about? Eileen
committed suicide.

BRANDON

(reiterating)

Because of Caleb. Your son is the
cause of my mom taking her life.

Sally is confused.

SALLY

How is that possible?

BRANDON

They were having an affair. My
stepfather found out and that is
why he left my mom. She lost
everything. Her whole life vanished
right before her eyes and it was
all because of your son.

SALLY

(careful)

If that were true....

BRANDON

(interrupting)

It is definitely true.

SALLY

IF it ***were*** true, it takes two to
have an affair. Caleb is not to
blame for your mother's decisions.

BRANDON

Your son is every bit to blame.

Sally blows out a breath. She can't truly grasp what is going on.

SALLY

I don't understand the purpose of this? Why are you telling me? You holding it in for years then revealing it to me today means what exactly?

Brandon takes a moment while allowing a wicked smile to slowly appear on his face.

BRANDON

It was all a part of my master plan.

SALLY

Which is?

Brandon allows the smile to grow wider.
