SCENE 1: SELA AND JACK

EXT. PARK - NIGHT

JAKE

What the hell do you think you're doing?

SELA

(feigning confusion)

I was walking in the park. What does it look like I am doing?

JAKE

No, you are stalking me.

Sela offers an exaggerated smile.

SELA

You are giving yourself way too much credit. I am in town for a job interview. I had no idea you were even here.

JAKE

You're lying. I don't know what's with your strange obsession of following me, but its gotta stop. I am on the verge of marrying a real person. Someone who is not made of games.

SELA

On the verge of marriage huh? Well that doesn't mean a whole hill of beans anyway. We all know how one never really makes it to the altar with you.

JAKE

You and I didn't make it to the Altar because by the grace of GOD, the true you was exposed.

SELA

I told one lie Jake. Do you think my replacement is squeaky clean? We all have baggage. We are human. Just admit that you weren't really looking for marriage in the first place.

SELA (CONT'D)

Talk about sick obsessions, the game of matrimony is some fetish you have for leading me on.

JAKE

(matter of fact)

I would tell you to stick around for the festivities so you can see for yourself. But I don't want you within miles of our wedding. And If I smell a touch of your scent in the air on my big day, you will regret it in ways you can't imagine.

SELA

Is that a threat?

JAKE

What does it sound like?

Scene 2 Sela and Monica

INT. SELA AND LISA

LISA

Listen my fiancée is too kind to give it to you straight with no chaser, but let me take the lead. You need to stay the **fuck** away from us.

SELA

(impressed)

AHH, there is a little bite in my ex's new throw away piece. I like it. However you are very delusional. Jake just threatened me. You obviously don't know who is is as you paint him as too kind.

LISA

I know exactly who he is and who you are as well.

SELA

Oh... who am I?

LISA

The disgruntled piece of trash that for some reason can't get a grip on reality.

SELA

You're the one that is going to be having a reality check soon when he dumps your ass. Maybe you'll be lucky enough to make it to the steeple, but I am sure everything will implode before the honeymoon.

LISA

If you think so little of him, why are you sticking around like gum on the bottom of a shoe? **Just get the hell on.**

SELA

I'm walking in the park.

LISA

You're a walking lie. And I am warning you..

SELA

Oh threat number 2? I see he's got you trained.
