

UNHOLY

Sides 1: Written by Ross

INT. MARLTON HOME - LIVING ROOM - DAY

Teddy now seems unsure..

TEDDY

Look, I appreciate you coming out
and all..But I think I am going to
pass on the sex.

GOO GOO's face drops and Teddy notices.

TEDDY (CONT'D)

I'll pay you of course. Full price.
But we are not going to **do the do**.

GOO GOO

(confused)

Was it something I said?

TEDDY

No no no..not at all.

GOO GOO

(increased confusion)

Do I not look as good as I did in
my online photo?

TEDDY

(comforting)

No you look incredible. **Even better
than that picture.**

GOO GOO

Then I don't understand. *Why don't
you want to fuck me?*

The bluntness catches Teddy off guard. It takes him a moment
to respond.

TEDDY

(small stutter)

Because..because I'm satisfied.

GOO GOO

Excuse me?

TEDDY

I thought I wanted sex, but having
a conversation with you has been
just as pleasing. I mean I think I
just needed someone to talk to.
*Someone new and fresh if that makes
sense.*

Goo Goo tilts her head.

GOO GOO
That is unacceptable.

Teddy is stunned by the comment.

GOO GOO (CONT'D)
I didn't come here just to get
paid. I came here because I
actually enjoy what I do.

TEDDY
I'm sorry..I don't....

GOO GOO
(interrupting)
I didn't answer your call to become
your therapist. I came here to have
sex. I came to feel good. ***I came to
have a good time.***

Teddy is almost speechless.

TEDDY
I didn't mean to lead you on.

GOO GOO
Well that's exactly what you did
and I am **not** going to accept it.

TEDDY
(careful)
What do you mean you're not going
to accept it?

GOO GOO
Exactly what I said. You are going
to fulfill half of the reason why I
am here. You're going to take off
your clothes, climb on top of me
and stir until everything is real
creamy.
