Plot: When Terry asks his wife Christina why her performances in the bedroom have been unenthusiastically of late, she admits that she can't get his new assistant off of her mind. Terry is defeated. The two determine a way to quench her thirst so their marriage can return to normal. This is about allowing Christina to spend one night with the young assistant. Will their marriage survive this crazy moment in time?

INT. KIERSTON HOME - KITCHEN - MORNING

TERRY and CHRISTINA are in the middle of a conversation

TERRY

I mean I am not joking. I want to know why all of a sudden you and I in bed seems more like a chore than excitement for you?

CHRISTINA

You're imagining things.

TERRY

No I am not. You and I making love used to be **Showtime at The Apollo**..now it seems more like having a colon cleansing for you.

CHRISTINA

(light response)

Terry stop. I enjoy when we make love.

TERRY

There is enjoying it and there is loving the hell out of every moment. Lately, by the time we have finished step one, you are already over it. *I want to know why?*

Christina pauses a moment before returning to her task.

CHRISTINA

Again you're imagining.

TERRY

Don't do that.

CHRISTINA

Do what?

TERRY

I saw you pause. You wanted to admit something but changed your mind.

CHRISTINA

Terry why are we discussing this?

TERRY

Because I want to know damnit. I want to know why my wife's bedside manner is changing.

CHRISTINA
We are not spring chickens anymore.
You know that.

TERRY
This wasn't brought on by aging.
This happened all of a sudden.

CHRISTINA
Terry..

Terry's agitation is rising.

TERRY
(interrupting)
Christina don't bullshit me. Is
there another person? Are you
having an affair?

CHRISTINA
No no no.

TERRY
Then What is it?

Christina locks eyes with Terry. She feels like it's time to
come clean. After an extended moment of silence, she offers..

CHRISTINA
It's Angus.

Terry is instantly stunned.

TERRY
Angus? You've been sleeping with my
assistant?

CHRISTINA
No, I just told you I wasn't having
an affair.

TERRY
Well what about Angus?

Christina sits the plate she is holding on the table. She
needs to give Terry her full attention. After a few
moments...

CHRISTINA
Every since you brought him home
and introduced us...he hasn't left
my mind

Terry is stunned by the revelation however the confusion keeps his emotions at bay.

TERRY

What do you mean he hasn't left
your mind?

CHRISTINA

(easy)

Just what I said. He is all I have
been thinking about lately.

Terry turns away. He is trying to process.

CHRISTINA (CONT'D)

You asked and I am telling you

TERRY

(barely)

I did ask. But I don't understand
what you are trying to say.

CHRISTINA

(careful)

If there is a lack of performance
from me in the bedroom, it is
because my mind is filled with
thoughts of Angus.

A disgusted Terry turns to his wife.

TERRY

You're joking right?

CHRISTINA

Angus is the splitting image of my
deceased husband Roger. Angus looks
exactly how Roger looked on the
night of our wedding...

Terry has a bit of an understanding but that doesn't stop the
shock and pain..

TERRY

And you have never gotten over him.

CHRISTINA

It's just thoughts Terry. Roger is
dead and thoughts are as far as it
can go.

TERRY

The only problem here is the fact
that it wasn't Terry you were
fantasizing about..and Angus is
very much alive.

SCENE 2: Angus and Terry

Terry has approached Angus with an insane request. Angus
can't believe it.

ANGUS

(stunned; non believing))
What did you just say?

Terry doesn't want to repeat it.

ANGUS (CONT'D)

No I'm serious, you didn't say what
I think you said?

TERRY

(matter of fact)
I want you to have sex with my
wife.

Angus searches Terry's eyes for the joke.

ANGUS

You're kidding right? You're making
a joke? Oh wait a minute, is this a
form of hazing the new assistant?
Playing tricks on the new recruit??

TERRY

(pained)
I am not joking.

ANGUS

You have to be. There is no way you
are serious.

TERRY

I am **dead** serious.

The two lock eyes. Angus is trying to understand.

ANGUS

Wait a minute..are you swingers? Oh
wait this would be more like a
menage a trois?

TERRY

We're not swingers and I won't be
anywhere near you two.

Terry turns away. Angus is trying to get a grasp on it.

ANGUS

Then you need to explain this to me
boss man. Why in the hell are you
asking me to screw your wife?

Terry takes a deep breath.

TERRY

You remember you asked me a week
ago if you could head the Emos
project?

ANGUS

Yeah of course what does that have
to do with...

TERRY

(interrupting)

Consider it done. The position is
yours.

ANGUS

What? ***Just like that?***

TERRY

Just like that. All you have to do
is have sex with my wife....
