

TWO SISTERS FIGHT OVER JACK

Edited Sides Written By Ross

INT. SHYTT HOME DAY

MONICA

You are my sister Amanda. You don't feel any kind of shame?

AMANDA

Why should I feel **anything** other than joy for falling in love with Jack? **You dumped him remember?**

MONICA

He and I had problems, like every relationship. We just needed time to heal. I never expected my sister to interfere with that.

AMANDA

I didn't interfere. You two were separated for months before he and I got together.

MONICA

Exactly. We are talking months, not a year, not a decade. Six lousy months and you were already slithering your greedy little ass into his bed.

AMANDA

Oh you would like to believe that our connection was made only in the bedroom, but it was much more than that. **Way more.** We connected mentally and physically on levels you could only dream.

MONICA

I seriously doubt that. Jack loves sex so I am sure once you flipped your massive experience on his penis, he couldn't see beyond your hole. What Jack and I had was deep, full and fulfilling. Sex fades just like the lining in your overused kitty.

AMANDA

You are so vulgar and such trash. How we both came from the same uterus is a mystery to me. But the fact is, I have him and there is not a damn thing you can do about it.

MONICA
We will see about that.

Scene 2:

MONICA REMINDS JACK OF THEIR PAST

MONICA (CONT'D)
You're confused Jack. Its me that
you want. *Its me that you love not
Amanda.*

JACK
How can you tell me how I feel?

MONICA
Because I know you.

JACK
Apparently not. I love Amanda and I
intend to marry her. We will have a
family with a slew of children
running around our picket fence in
Montauk.

MONICA
Your lips are moving but the
authenticity just isn't there.

JACK
You're delusional Monica.

MONICA
And you're playing delusional Jack.
If you think that taking up with my
sister is going to be a legit
replacement for me, then you are
dead wrong. ***She is nothing like me.***

JACK
You're right about that, she is
nothing like you. Amanda and I get
along wonderfully. We have never
had an argument. We barely disagree
about food. With you, we were
always fussing about something.

MONICA

That was our passion speaking. Our inner desire to burn on the different embers of life. Who wants to be with someone boring, always in agreement and complacent? You're trying to make it sound like we weren't having fun in that space and we were. Admit that.

Jack doesn't want to try and fight those words.

JACK

I'm going to say this one more time. ***I don't love you anymore.*** I love Amanda.

MONICA

Say it like you mean it..
