

INTRODUCING: VISION PROJECT

by ROSS

Note from the visionary: Several of the projects I am currently creating is my way of finding the perfect actor that clicks with my writing and vision like water to life. I have come so far and I am more eager than ever to prove (to myself) that my extensive vision is not a fluke. Two thousand and twenty six is such a milestone for me and I am celebrating with finding a juggernaut talent to take to the top of Hollywood....

INT. KERRON'S HOME - DAY

YASMINE

What I am saying Kerron is that this obsession of yours is going to hurt **us**.

KERRON

How? I am trying to close out a chapter of my life.

YASMINE

The chapter has **been** closed. You keep trying to reopen it and that is causing damage at the same time.

KERRON

How am I causing damage? I....

Kerron stops speaking. He then looks at Yasmine with a different set of eyes.

KERRON (CONT'D)

Why don't you just say that you don't support what I am doing?

YASMINE

I support **you**, but I don't support this. Kerron don't you see that you are obsessed?

KERRON

Rightfully so. She adopted me and my siblings for gain. She killed my brother and sister to grab control of their inheritance.

YASMINE

I understand that. But finding her won't bring them back.

KERRON

No, but I can make her pay for the things that she has done.

YASMINE

How? She was already tried and acquitted. There is **nothing** you can do and you know that.

Kerron's face goes cold.

KERRON

(ominous)

Oh there is definitely something I can do.

Kerron turns away in an attempt at putting a stop to his rising emotion.

YASMINE

What do you mean? Are you talking about injuring her? ***Killing her even?*** What do you think that would mean for you? ***For us?***

KERRON

I cannot live on this earth knowing that she is breathing and living a carefree life while my ***blood*** is six feet under.

YASMINE

(careful)

You have no choice. I refuse to marry a vigilante. ***I refuse to marry someone who is determined to ruin their life.***

Kerron turns to Yasmine.

KERRON

(fake confidence)

So...maybe this is where it ends.

Yasmine is caught off guard by the comment, however she recovers quickly.

YASMINE

Maybe it is..
