MVSOA Uniform Caps

An alternative to wearing a Legion, DAV, VFW, Amvets or other service organization caps. You won't have to choose which cap to wear; you won't offend any veterans group at public events for not representing them by not wearing their cap. The MVSOA cap is a different color and scheme than all the other service organizations to avoid any potential confusion. Show your pride with your town or city or district and also the MVSOA at Memorial Day and Veterans Day services and other patriotic events.

COLOR: Top half is white; the lower half is black with white piping and white embroidering

LAYOUT: Same as the traditional service organization caps

LEFT SIDE / TOP: Title-Position across the top. For example, "**Veterans Services Director**"; "**Veteran Service Officer**"; "**Veterans Services District Director**" (this option requires 2 lines)

LEFT SIDE / BOTTOM: Town / City / District name and state. For example, "**Mansfield, Massachusetts**" or "**Western District, Massachusetts**"

RIGHT SIDE / FRONT LOWER CORNER FLAP: Traditionally embroidered with the Post / Chapter / Unit number in this location. Embroider the town zip code, or the year the town was founded / established. For example "**02048**" or "**1775**". If a district, your option is to leave blank or be creative with "**USA**", "**ARMY**", "**USMC**", "**NAVY**", "**USAF**", or "**USCG**"

RIGHT SIDE / FORWARD-CENTERED LOGO: Traditionally embroidered logo in this position. You can have your city/town seal patch or an MVSOA patch can be sewn on (included in the basic price). MVSOA will include/provide the patch at no additional cost.

ADDITIONAL EMBROIDERING You can have additional embroidering depending upon the space needed on the Right Side towards the rear/back section in the event you wanted to personalize the cap. For example, "**US Army**", "**Persian Gulf**", "**Bronze Star**", "**Purple Heart**", etc. The additional cost is 75¢ per letter.

COSTS: The flat rate per cap is \$55.00, which includes the basic embroidering and with a Town or MVSOA patch sewn on.
